"Good to the Core"

# "Big Y" Apples

**N**OW is the time to put several boxes of apples away for the winter. These "Big Y" apples are as good keepers as any apples grown. They come to you in boxes (640 boxes to the car) each apple hand picked, hand selected, wrapped separately and in perfect condition. They are grown in the famous Yakima Valley, Washington.

Certain varieties of these apples taste better in certain months. Use the right apple at the right time. We advise:—*December, Jonathan, Delicious. January, Spitzenburgs; Stayman, Winesap. February and later, Winesap, Yellow Newtown.*

## Be Sure to Order Enough Apples

The average family can easily use 10 to 15 boxes. Don't forget that Christmas time is also apple time. These apples are sold by the carload only—the only way to keep the price down to the minimum. Club together and order a car, or the Secretary of your Local will be glad to arrange with us for a car of these "Big Y" apples to be shipped to your point. See him at once.

## If you are near a U.G.G. Elevator--See the Agent

All our Agents have instructions and prices and can arrange for a carload or more. We can give you good service on every order, but the earlier we get your order, the better it will be for both of us.
