

The Canadian Mining Manual 1915

PAPER \$1.50

CLOTH \$2.00

A handbook of information on Minerals and Mining in Canada, is now in preparation and will soon go to the press.

Send in your order now and we will mail copies to you as soon as ready.

The 1915 edition is, we believe, a more complete and more accurate handbook than the previous edition. Concerning the minerals produced in Canada much more information is given. The information concerning the numerous mining companies operating in Canada has been carefully revised. Considerable space has been given to the recently issued reports of the more active companies.

The 1914 edition was well received and is practically sold out. The 1915 edition, which will be ready in January, not only brings the mining record up to date, but contains much other information not to be found in earlier editions.

The 1915 edition of the Canadian Mining Manual will be sent postpaid to any address for \$1.50 paper bound or \$2.00 cloth bound.
