SALVATION ARMY HELD FIELD DAY

Hundreds Holidayed Yesterday at Zwick's Island—Features Program.

The fine weather on Labor Day brought out a large crowd to the Salvation Army picnic at Zwick's Island. By two o'clock many were enjoying the breezes at this spot. Booths and tents had been erected and at these refreshments and food were dispensed—sandwiches, soft drinks, ice cream and so forth. So liberal was the patronage that in the afternoon the supplies ran out and the booths had to be replenished with sweetmeats and refreshments from the city.

For the delight of the children games were held, the boys devoting most of their attention to baseball, spending the entire afternoon at this. Some played at football.

The waters of the bay were not too chilly for bathing. Although at times the air seemed chilly, yet the bathers enjoyed the dip. Over one hundred must have taken to the pure ablation of the waves during the afternoon. Children were the more numerous, but a good number of citizens took their last opportunity of a swim in the bay.

The Salvation Army yesterday introduced a good feature which drew attention to the need of dressing quarters at the island. Two tents had been set up which bathers were privileged to use for the consideration of five cents each. While they were swimming, their clothes were taken care of, and these canvas places of shelter were much appreciated by the members of the local corps and the public in general.

This field day marked the wind-up of the season. Every Wednesday afternoon during July and August goodly numbers of the Salvationists have holidayed at Zwick's Island, being the real discoverers of this spot as a summer resort.

The crowd lingered on the grounds until late in the evening, when the bus carried the picnickers home to the city.

JOHN STREET JOYS.

As we feel when visiting friends leave—sorry to part but the better for their visit—so John Street congregation felt last Sunday when St. Andrew's flock resumed worship in its own church. The Union Services of July and August are in all respects a most satisfactory arrangement. The Presbytery of Kingston meets in John Street Church today (Tuesday) in one of the important business meetings of the year. The newly appointed representative elder of the congregation is Mr. D. V. Sinclair. The Sacrament of the Lord's Sup-

GEN. HUGHES' CONDOLENCE

Mrs. Gardner, Bayside, Receives Letter Regarding Her Missing Son.

Mrs. Gardner, Bayside, has received a message of condolence from Major-General Sir Sam Hughes regarding her son, who has been missing since April 23rd, 1915, and is now presumed to have died. Private Gardner leaves one sister besides his mother to mourn him. General Hughes message is as follows:—

Ottawa, August 29th, 1916. Dear Mrs. Gardner,— Will you kindly except my sincere sympathy and condolence in the demise of that worthy citizen and heroic soldier, your son, Private Wilmot Richards, previously reported missing, now for official purposes presumed to have died on or since June 13th, 1915.

While one cannot too deeply mourn the loss of such a brave comrade there is consolation in knowing that he did his duty fearlessly and well and gave his life for the cause of liberty and the upbuilding of the Empire.

Again extending to you my heartfelt sympathy, faithfully,
Major-General Sam Hughes,
Minister of Militia and Defence for Canada.

SUDDEN DEATH AT BARRIE.

Belleville Lady, Who Was On Vacation Passed Away on Sunday.

The death occurred suddenly at Barrie on Sunday, September 3rd of Miss Emma Pierson, youngest daughter of the late Bryant Pierson. She was born in Belleville and resided in this city all her life. Her parents died many years ago. She is survived by one sister, Miss Minnie Pierson.

The late Miss Emma Pierson and her sister had resided in Belleville Terrace and latterly on Victoria Ave. at the corner of Ann street. A short time ago they left on a vacation on account of ill health where on Sunday death came to the former.

For many years she was associated with St. Andrew's church and had made many friends in the city.

The remains arrived from Barrie last evening and were taken to Messrs. Tickell & Sons' funeral parlors whence they will be removed to St. Andrew's church as the home has not yet been opened.

FINGERS CRUSHED.

Mr. Walter Hick, an employee of Tickell & Son's Co., had the misfortune to have the first and second fingers of his right hand crushed this morning. He was taken to his home.

BOY OF ELEVEN STOLE HORSE

And Rig From in Front of Post Office—Caught in Prince Edward.

The limit in youthful daring was perhaps exhibited today when a lad of eleven years, who has been in the police eye for some time, was caught driving in Prince Edward near Massasauga School house with a horse and rig which he had stolen.

Mrs. Fred Oram, Gilbert street, drove down town this morning and went into the postoffice about 8:30 o'clock leaving her horse and phaeton at the curb with the weight attached to the bridle. A few minutes later on her exit from the building, the outfit was gone. Mrs. Oram searched for some time and then at 9:15 notified the police. She had secured a clue that a horse had been driven over the lower bridge and with this in mind Constable George Ellis traced the outfit across the bay bridge and finally found the young thief in charge.

The boy was brought to town and arraigned before Magistrate Masson and was sent up to jail on remand for a week.

FELL BENEATH TRAIN WHEELS

Tragic Death of Pte. John Y. Beaton of 155th Battalion at Kingston.

Pte. John Y. Beaton, of the 155th Battalion, met a tragic death on Saturday night just east of Kingston as he was on his way to Barriefield Camp. Pte. Beaton was a Belleville boy who enlisted last winter and had been spending the past three months on Barriefield Heights. On Saturday night he had been in Kingston and was stepping aboard a train enroute back to camp when he fell beneath the wheels. The back portion of his head was fractured and one of his feet was severed. Death was instantaneous.

Pte. Beaton, prior to enlistment, lived with his mother at 421 Bleeker avenue and was employed as a member of the Grand Trunk section staff. He was born twenty-six years ago in North-East Mabon, Nova Scotia, and came to Belleville six years ago. His mother and the remainder of the family following him two years later.

Surviving besides the mother are one brother, a member of the 59th Battalion serving in France, another John C., who is a fireman on the G. T. R., a third brother, Donald, in the G. T. R. freight department, and one sister, Miss Isobel, at home.

The remains have been brought to Belleville. A military escort will attend from Barriefield at the obsequies tomorrow.

NO ADVANCE AT PRESENT

Coal Prices Not Increased Yet in Belleville—Toronto and Kingston Situation.

"For the present there will be no advance here," declared a Belleville coal dealer this morning relative to the increased price in fuel in Toronto. The price in Toronto has been advanced 50 cents which makes the price \$8.50 for nut and \$8.25 for stove coal per ton. Kingston prices are not \$4.25 and furnace \$8.

Belleville's fuel is today quoted at \$8.25 for chestnut and \$8.00 for stove.

SEARCHED FOR GAME YESTERDAY

Many Parties Out Shooting and Fishing on Labor Day.

Sportsmen from Belleville yesterday took boats or footed it along the highways, over the fields and through woods and marshes in the search for game. Ducks were much sought for, and mud-hens and rabbits were among the victims. Ducks are said to be quite plentiful but rather difficult to get on account of the calm water around shore which keeps the birds at considerable distance. Still a few were bagged. Quite a number of mud-hens paid the debt to nature when they fell within range of the holiday shot gun. These birds have been fairly tame about the marshes in this vicinity, but since September 1st they have learned a lesson and are very chary of showing themselves. Rabbits are scarce as yet.

It is remarkable how quickly the game has become frightened at man's approach. Three days' shooting has done the work.

Fishing parties yesterday were quite numerous.

ST. JULIEN'S CHAPTER.

Result of First Year's Work of New Chapter I. O. D. E.

The report of the first year's work of the St. Julien Chapter I. O. D. E. is as follows:—

From July 1915 to July 1916— Forwarded to Queen's University Hospital and to the Canadian War Contingent Association Hospital, supplies of bandages, dressings, pyjamas, shirts, bed jackets, sheets, pillow cases and towels.—In all 7953 articles.

Soldiers' comforts sent to the trenches—Socks, stationery, tobacco, cigarettes, chocolate, biscuits, scrap books, etc. 3684 articles—total 118-

PACKED HOUSE AT GRIFFINS

Marguerite Clark, the winsome actress, delighted a packed house last evening at Griffin's theatre when the film "Molly-Make-Believe" was put on the screen. The plot is a very naive one, based on a well-known novel. The demands of the part are amply met by the young actress and she is ably sustained by a very clever company.

The serial film "The Iron Claw" was again featured, last night's installment dealing with the mystery of the identity of "The Laughing Mask" and the problem of whether he is the same person as Davey, the secretary.

AUTOIST FINED.

On Sunday evening a Pietonian came to town in an automobile which did not bear a proper number. The owner came before Police Magistrate Masson and was fined \$10 and costs.
