in its favor in the city of Queber. THE COURTER CANADA" arrived at Halifax yesterday

m. The news of her arrival was conveyed as wares of the New York and Buffalo

It is possible that they find themselves to have leapt too decidedly to the wrong side of the

hedge, and that they would give the world to leap back again, but are either ashamed or aitaid ? The prophets have prophesied falsely—they con-fidently predicted that the poor Annexationists

fidently predicted that the poor Annexationists would be overwhelmed by a storm of wrath and ridicule, so soon as their declaration came under the lash of the English Press ;- but what is the upon reading the above. But notwithstanding case ? With the exception of the Morning Chroni-cle and John Bull - the latter a paper of no influ-ence whatever, the former the organ of the would-be absolutists of England-every paper that we have seen speaks of the Montreal document in the highest terms. Why do not the *Pilot* and *Transcript* re-publish these articles? We will first gave *L.Scenic* credit for. If the public mind

tell them-they are afraid to do it, for they know is to be brought to disbelieve L'Avenir, the Bishthe influence which they will surely have on the ops will have to come out, and state most unequipopular mind in the Province. They know that

hundreds, nay, thousands of persons in Canada, have only hesitated to join in the Annexation THE COUNTY OF OXFORD .- A Requisition, movement, from fear that they would be misunsigned by more than 300 electors, has been adderstood in England. They would not for worlds that their English countrymen should be able dressed to Mr. Vansittart, inviting him to oppose with justice to accuse them of ingratitude in Mr. Hincks at the next election for Oxford.

wishing for separation after England's many benefits. Their understandings have long ago THE INDIAN TROUBLES .- A Telegraphic Debeen convinced that the continuance of the con-nection is neither for England's benefit nor Cana-from Mr. Bonner, Secretary to the Quebec Minda's, but their feelings would never have permitted them to agitate for a practical working out of the Miners at Mica Bay were killed by the Inthe trade of the Atlantic." We can concrive us language as arrogant, so furpolities, or so unprincipled as this, But for Englands. That the septements of the affect as practices of England. That the reflection of England. That the reflection of England.
