PARALYSED AND COULD NOT WALK

"Fruit-a-lives" Completely Restored New Brunswick Merchant to Health.

MR. ALVA PHILLIPS

BRISTOL, N. B., July 25th, 1911. "I am unable to say enough in favor of 'Fruit-a-lives' as it saved my life and restored me to health, when I had given up all hope and when the doctors had failed to do anything more for me. I had a stroke of Paralysis in March, 1910, and this left me unable to walk or help myself, and the Constipation of the bowels was terrible. Nothing did me any good and I was wretched in every way. Finally, I took 'Fruit-a-lives' for the Constipation, and it not only cured me of that trouble but gradually this fruit medicine toned up the nerves and actually cured the paralysis. Under the use of 'Fruit-a-lives' I grew stronger and stronger until all the palsy and weakness left me. I am now well again and attend my store every day and all day."

ALVA PHILLIPS. "Fruit-a-lives" is the only remedy in the world that is made of fruit juices and tonics.

Alliance Scored

(Continued from Page 1) the case of prohibition Liberals, but not much. Whatever we may think of the wisdom or unwisdom of Mr. Rowell's course for the Dominion Alliance there is no excuse. The figures in North Grey should cause it to lose itself somewhere north of the Hudson Bay. The time appears ripe for a leader and a party to call the bluff of the whole coterie of clerical bosses who are trying to tie the country up in swaddling clothes and reform everybody and everything by Acts of Parliament.

Hal, B. Donly, proprietor of the Reformer, was the Liberal candidate for Norfolk in the Federal general elections of 1904 and 1908.

Saved by Unknown

(Continued from Page 1) the unknown man, who was then too far gone to get back to the shore unaided.

Twice the man at the end of the chain was swept from his feet, but he clung desperately to the helpless burden, and the united efforts of the three men nearest, who had a better footing, finally swung the two of them out of the grasp of the current. Chapman was unconscious for over an hour after being taken ashore. Relatives said he was subject to fits, and undoubtedly was stricken while sitting on the rail.

NO DRINKING MAN NEED DESPAIR

The Neal Cure—Greatest of All Modern Discoveries—Offers a Means of Escape from the Curse of Drink. A cure of the Drink Habit is Guaranteed in Three Days no Matter Whether the Patient is a Hard and Constant Drinker, Social Tippler or Goes on Occasional Sprees.

There was wandering in the streets of Toronto lately a homeless man, who at one time held a splendid position, but drink was his downfall. To-day his wife, a cultured woman, works out the day, endeavoring to support herself and little family. Think of it, you wives and mothers, who have homes of comfort and all that makes life worth living, what it would be to you to be deprived of these and forced to face the wash tub for an existence, as this poor wife has to do today?

But this home which was made a hell on earth through strong drink—as every drunkard's is—may be made into a heaven upon earth, as many have been made, as a result of the Neal Treatment. Three days only—the wonder of it—to effect a cure and make the victim of strong drink a new man, physically, morally and mentally.

We undertake to guarantee to effect a cure of the Drink Habit in Three Days, no matter whether the patient is a hard and constant drinker, social tippler, or goes on occasional sprees. Are you interested in a poor fellow going down, down?

Here is an opportunity for REFORMATION SOCIETIES for INEBRIATES or any institution for the reformation of the drunkard, to test our ability to change the hard drinker into a new man, physically and mentally, in THREE DAYS' treatment.

We invite these Societies or any institution interested in the poor drunkard and the problem of dealing with him; to send us for treatment any victim of the drink habit, it makes no difference how much enslaved, and we guarantee to effect a cure in each and every case. Can you spend your money to better advantage or in a way that will bring in greater returns than in redeeming these victims of strong drink and giving back to their families kind fathers, brothers, husbands, and to the country most desirable citizens?
