FALL SHOW.—The Listowel fall exhibition, held on Wednesday and Thursday, Sept. 17 and 18, was a success, according to the local papers. The weather was fine both days and the crowds large. The display in fruit, vegetables and flowers was much ahead of any previous show, and would do credit to any of the big fairs. The field root and garden vegetables could not well be beaten anywhere, and the fruit department was excellent, the show of apples, plums and pears being particularly fine. There was a beautiful display of cut flowers and house plants; also some very fine specimens of oil paintings in the art department. The show of domestic manufactures and mechanical work was somewhat deficient. The Manitoba exhibit containing specimens of grains and grasses, both threshed and in the straw, from Manitoba and the Northwest, was on hand. The live stock departments were well filled, there being a splendid show of horses, cattle, sheep and pigs. H. Cargill, M. P.'s famous herd of Durhams were among the exhibits of fine stock. The poultry show was also very complete. Following is the prize list of the outside exhibits:
