

Miscellaneous.

OLD STYLE HYMNS.—The following verses are correct specimens of the hymns sung in Congregational churches before the days of Dr. Watts, and which were gradually made to give place to the hymns now in use, as the taste now for harmony and beauty increased in our churches. The following verse should be decanted off and sung one line at a time:—

"Tis like the precious ointment  
Down Aaron's beard did go;  
Down Aaron's beard it downward went,  
His garment skirts unto."

Another—a sort of address to whales, and other big fish, as well as to tom-cods, hounders, sculpins, eels and other small fry:

"Ye monsters of the bul'ing deep,  
Your Maker's praises shout;  
Up from the sands ye cooling peep,  
And wag your tails about."

There is much truth in that poetry in the following:

"The race is not for ever got  
By him who fastest runs;  
Nor the battle for those people  
Who shoots with the longest guns."

The following address to the Sun, chimes very well with the preceding, although of more modern origin:

"All hail thou glorious Sun!  
Bright as the new tin-pan!  
Thou roundest, fairest, purest source—  
Of bread and cheese to man!"

A New York editor says he don't like knock down argument, because they are no-fist-ical.

WOODILL'S WORM LOZENGES

ARE THE ONLY CERTAIN, SAFE, and EFFECTUAL REMEDY FOR WORMS.

THEY never fail to act when properly used, and are certain to exterminate any of the different species of Worms which inhabit the different parts of the intestinal canal.

They do not contain Calomel, or any other mineral substance, but are purely VEGETABLE and therefore SAFE. They act on the WORMS only, producing no other constitutional effect than that which would follow a dose of SENNA, CASTOR OIL or SALTS.

In the treatment of WORMS the principal indication is the EXPULSION of the Worms from the Bowels. This may be fulfilled in some instances by active Purgatives, which expel by increasing the peristaltic action of the bowels, or by Anthelmintics, which favor their expulsion through the ordinary contraction of the bowels by destroying them, or rendering them less able or less disposed to resist this contraction. Other preparations, and to a feeble extent, for to produce it, it is necessary to give large and nauseous doses, and on the following day some purgative to carry off the effects of the previous day's medicine.

The combination of these two modes constitutes Woodill's Worm Lozenges thus not only destroying by their anthelmintic, but removing immediately by their purgative properties. It is upon this union that we claim the

Woodill's Worm Lozenges

as they are the only preparations combining these essential qualities. The ingredients both ANTHELMINTIC and PURGATIVE, composing them are eminently calculated to produce the best results, in accordance with the object of their combination, while they are both pleasant and agreeable to the taste.

Be particularly to ask for WOODILL'S. They are the only kind free from danger, and there are none more efficacious. They can be had of all Druggists and Medicine Dealers throughout the Provinces. The price is only 25 cents per box.

\*Be careful to take notice that Woodill's are of a pink color. Prepared only by WOODILL BROTHERS, City Drug Store, 131 Hollis Street, Halifax

MRS. WINSLOW,

An experienced Nurse and Female Physician presents to the attention of mothers, her

Soothing Syrup,

FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

Sure to Regulate the Bowels Depend upon it mothers, it will give rest to yourselves, and Relief and Health to your Infants

We have put up and sold this article for over 30 years and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in years experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered. This valuable preparation is the prescription of one of the most experienced and SKILLFUL SURGEONS in New England, and has been used with never failing success in THOUSANDS OF CASES.

It not only alleviates the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Gripping in the Bowels, and Wind Colic, and overcome convulsion, which, if not speedily remedied end in death. We believe in all cases of Dysentery and Diarrhoea in children, whether it arises from teething or every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the name of CURTIS & PERKINS, New York, on the outside wrapper.

Sold by Druggists throughout the world. Principal Office, No. 48 Dey Street, N. Y. Price only 35 Cents per bottle.
