### UNITED FARMERS FAVOR SUPPORT U.N.B.

Board of Directors Recommend That Provincial Government Increase Annual Grant to \$50,000 and Provide \$10,000 for Library and \$25,000 for War Memorial Building.

The board of directors of the United Farmers' Association met at their head office in Woodstock on Saturday to consider further matters of organization and social betterment. T. W. Caldwell, M. P., the president, presided at the meeting. The board gave careful consideration to plans looking toward a greatly increased membership of the farmers' organization.

The most important resolution of the day was brought before the meeting by C. Gordon Sharpe, the general secretary, who said that it accorded with the broad educational policy of the organization and strongly urged its adoption. It was further supported by Mr. Caldwell and Rennie Tracey, M. P. The resolution, which was adopted, follows:

Whereas, the problems which have arisen out of the great war and during the period of reconstruction have served to accentuate the need of a broader and more comprehensive program of higher education; and

Whereas, the full development of our province is contingent upon the educational facilities afforded to all classes in order that we may successfully take our place alongside of the other rapidly developing provinces of the dominion; and

Whereas, the University of New Brunswick—the keystone of the educational system of the province—has long and faithfully contributed to the building up of the social, economic, political, educational, religious and commercial life of the province and of the dominion; and

Whereas, the present situation absolutely calls for expansion if the university is to fulfill its obligation;

Therefore be it resolved, that we request:

First—That the legislative assembly of the province increase the annual provincial grant to the University of New Brunswick to \$50,000.

Secondly—That in view of the action taken by other provinces of the dominion the legislative assembly of the province provide \$10,000 for a public extension library with books on practical agriculture, on social, economic and labor questions of the day.

Thirdly—That in view of the magnificent response and unselfish sacrifices made by the people of our province during the late war, and in order that the war records and trophies of the province may be preserved to future generations, the legislative assembly of the province of New Brunswick make a special grant of \$25,000 to assist in the erection of a proper and fitting memorial building at the University of New Brunswick.

Rev. Dr. Sharp, of Regina (Sask.), in presenting the matter to the board, explained the resolution and gave valuable information and submitted statistics from other provinces in the dominion as to what is being done by the various provincial governments in furthering higher education. His statement showed this province to be far in the rear. After a very careful consideration the resolution was unanimously endorsed.

### DEATH OF MRS. J. W. DOUGETTE

On March 16, Mary, wife of J. Walter Dougette of Knowlesville, died in the city hospital at St. John's, N.B., after seven weeks' illness of cancer of the liver. She was 73 years of age and for many years held a position with a large manufacturing firm in West Upton, Mass., retiring only at the time of her last illness. The remains were brought here by train on Saturday and conveyed to her girlhood home at Knowlesville, where on Sunday afternoon the funeral service was held, Rev. C. A. Bell preaching the sermon.

Mrs. Dougette was a daughter of the late Maurice Hobbs and a sister of the late "Gentle" Hobbs, well known at Knowlesville. She was exceptionally bright and energetic woman and held in high esteem by all who knew her. About 20 years ago she was married to J. Walter Dougette, then of Hartland, and for a time they lived here.

### MRS. CHARLES CHASE

A telegram was received today announcing the death in St. John's of Mrs. Charles Chase, aged 78 years. The remains will be brought here and the funeral held at Upper Brighton on Saturday.

Mrs. Chase was born at Hartland, the daughter of William Noyes, and lived nearly the whole of her life here

and at Upper Brighton. Her husband died 20 years ago. Of a large family of children there are among the living, George in Lowell and Allison in Ontario, and three daughters, Mrs. Judd McGee of Lower Brighton, Mrs. Alma Routlock and Miss Alforetta of St. John. The late Reed Chase of Hartland was a son.

### MAN KILLS WIFE NEAR FOUR FALLS

After Firing Mordacious Shot James Emerson Shoots Himself

Fort Fairfield, Me., March 13.—James Emerson, about fifty-eight years of age, a farmer, shot and killed his wife, Victoria, at the home of her son, Cecil Flannery, about five miles out on the East Limestone road, Saturday morning. Death was instantaneous. There were no witnesses of the shooting. Emerson then walked to Goodrich, about two miles, and was found there by Deputy Sheriff L. H. Porter with a self-inflicted bullet wound in his head. He was brought to the hospital and died Saturday night.

Mrs. Emerson was the widow of John Flannery and had two daughters and five sons when she married Emerson four years ago.

The neighbors say that for some time Emerson and his wife had frequent quarrels and had separated at times, but became reconciled as often. It is learned that Emerson bought a revolver about three weeks ago and it is alleged that he had threatened on several occasions to shoot his wife. Emerson outside of his marital troubles, had the reputation of being a hard worker and a quiet and peaceable man.

### NEWMAN CLARK HAS NEW TRIAL

The Supreme Court of Canada handed down judgment in the case of the King against Newman Clark, allowing the appeal, setting aside the conviction and ordering a new trial. This case was tried at Andover last December, the defense being insanity, a conviction for murder was made and the prisoner was sentenced to be hanged. The trial judge charged the jury that the burden was upon the accused to establish the fact of insanity to their satisfaction "beyond a reasonable doubt." In so charging he followed the decision of the appeal court of New Brunswick.

Hon. W. P. Jones, K. C., for the accused applied to Mr. Justice Chandler for a reserved case. The trial judge refused to grant this and an appeal was made from his decision to the Supreme Court of the province, which also refused a case. An appeal was then taken to the Supreme Court of Canada. This appeal has been successful.

### RIFLE CLUB REORGANIZED

At the meeting of the Hartland Rifle Association Saturday night, a good centrally located team of officers was chosen under whose direction with the whole-hearted support of the members is getting new and convenient firing ranges completed. A splendid season of rifle practice is looked forward to. The officers for the year are: Capt. John Murdoch; Sec. Dr. W. R. Currie; Treas. Wendell Nixon.

For Sale: Three plate glass windows, 2x7 feet. Counters and awning for store. 1 Guernsey scales, stove, Queen heater, mantle with bevelled glass, 1 hall lamp, road cart and pump. Apply to St. Geo. H. Gray, Florenceville.

### VICTORIA COUNTY RESIDENTS ROUSED

Are Determined to Fight Grand Falls Power Promoters' for Delay

Grand Falls, N. B., March 14.—You residents of Victoria County should be unanimous in your opposition to any further extension before commencing the development of that great natural water power lying in the bosom of this town and measured by the attendance and enthusiasm present this evening. I feel sure that you endorse the opinion of immediate development. Mr. McMonagle referred briefly to the past manipulations with reference to the power, and said that since all parties were represented on the platform, it would eliminate any suspicion that politics were being indulged in. The patience of the community has been exhausted and today all were united in opposing any further concessions to a foreign corporation having but little or, in fact, no interest in the Province of New Brunswick, and since the progress and prosperity of the County of Victoria depends in no small measure upon harnessing of this tremendous water fall, it was a vital fact in the commercial advancement of the town and people. It was useless for any company to state that they would not develop until sufficient customers were secured to justify a return on the initial outlay. It was like advancing the argument that a man should obtain his customers before opening his store. The speaker was applauded at intervals during the course of his remarks and after further dealings with the question, resumed his seat amid enthusiastic applause.

### MRS. ROBERT STEWART

Mrs. Stewart, widow of Robert Stewart, died at the home of her son at Upper Kent on Thursday morning. She was eighty years old on New Year's day and is survived by a son, Thomas Stewart, of Upper Kent, and a daughter, Mrs. Fred Grant, of Washburn, also one step-son, James Stewart, of Kilmuir, and a step-daughter, Mrs. Brown of Wapke. Mrs. Stewart came to New Brunswick with Scotch colonists in 1874 and with her husband and family settled on a farm at Linville where she lived for years. She was a practical nurse and was well known about Carleton and Victoria counties.

The funeral was held on Saturday, Rev. Gordon Pringle conducting the services. The pall bearers were Wallace Miller, Joseph Davidson, William Miller and Charles Inman. Interment was made in the Kincardine cemetery.

### MRS. MARGARET ROBERTSON

Mrs. Margaret Robertson died at the Fisher Memorial hospital at Woodstock last Monday. Mrs. Robertson with her daughter came from Scotland last summer and on their arrival Miss Robertson was married to Alexander Drumm, of Kincardine. Mrs. Robertson since then has made her home with her daughter. She became ill several weeks ago and was taken to the hospital where it was found an operation was necessary. The operation was successful but she became worse later. Besides her daughter, Mrs. Drumm, she is survived by one brother, Robert Brown, and one sister, Mrs. Banchoy, Scotland. The funeral was held on Tuesday afternoon, Rev. Gordon Pringle conducting the service. Interment was made in the Kincardine cemetery.

NEW GOODS at REDUCED PRICES are constantly being received at

## CARR'S

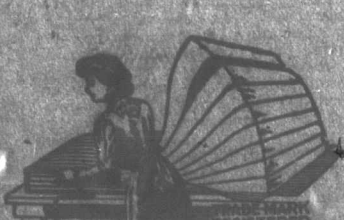

Goods on hand before the recent decline came are being discounted

## 10, 15, 20 and 25%
