A SMOOTH SKIN.

Philoderma is strongly recommended for Softening, Improving, Beautifying, and Preserving the Skin, and gives it a blooming and charming appearance. It completely removes Tan, Sunburn, Redness, etc., and by its Balsamic and Healing qualities renders the skin Soft, Pliable and free from dryness. Prepared only by E. M. Estey, Pharmacist, Moncton, N. B. Sold by Druggists.

Spinning Yarns is frequently indulged in by many persons during the long winter evenings, and the eyes of many a youth open wide at the startling stories of their seniors,—but they talk solid fact when they tell of the wonderful effect of SCIATICINE on Rheumatism, and all Rheumatic affections. It cures PERMANENTLY by neutralizing the Rheumatic Poison in the Blood. For sale by all druggists and general dealers.

The decided beneficial effect of **'Phosphorized'** Emulsion, in the treatment of female weaknesses, and nervous prostration, has given it a widespread reputation, and in every case the story is the same: "My health is so improved since using it," "I am like a new woman," that we do not hesitate to recommend it to everyone in need of a health restorer. Always ask for **Phosphorized** Emulsion, and be sure you get it.
