BLENDED FLOURS are TWO flours in one.

The famous Bread and Pastry making qualities of Ontario fall wheat—are combined with Manitoba spring wheat, which adds strength and nutriment.

BLENDED FLOURS are not only the best for all home baking—they are also the MOST ECONOMICAL. They yield MORE bread, cake and pastry to the pound than any other. Try it, and you will use no other.

THE AUGUST DESIGNER.  
One could take the August De-  
signer out under the trees on a  
hot summer's day and find therein  
a variety of bonny things to make  
the time go flying.

For instruction, we find such ar-  
ticles as "The Wand as a Means  
of Home Exercise," by Lora Pcl-  
lard, which puts within reach of  
the reader the possibility of health  
giving physical development. "The  
Home Maker's Problem of Win-  
dow Curtains," by Mary Kilsyth,  
gives advice on a subject that  
every one knows the importance of  
"Home-Made Furniture" shows  
some clever means of home car-  
pentering and furniture construction.  
"Wallachian Embroidery" gives  
instructions for making an em-  
broidery now much in demand.  
Among the articles found in the  
back of the book are those concern-  
ing the healthful care of the body,  
how to dress, what to eat, and  
some suggestions as to how to  
play.

for Stomach, Liver, Kidney, Bowel and Skin  
Troubles.

Weldon, to Mr. William Swin-

## RAWLINGS-SNOWBALL.

The marriage of Miss Laura  
Snowball, second daughter of the late  
Hon. J. B. Snowball and Harry Ed-  
Rawlings, of New York, took place  
Wednesday evening in St. Luke's  
church at Chatham at 9 o'clock. The  
ceremony was performed by the  
pastor of the church, Rev. G. W.  
Sellar, and was attended by the  
immediate relatives of the contract-  
ing parties. The church was  
beautifully decorated with flowers,  
and plants and presented a very  
artistic appearance. The bride was  
attended by her sister Lillian, and  
Alexander Thompson of Frederic-  
ton, cousin of the bride, supported  
the groom.

The bride and groom left on the  
Maritime express for Upper Canada  
and will spend a few weeks at Lake  
Champlain, taking up their future  
residence in East Orange, N. J.

Mrs. Rawlings and Miss Rawlings,  
a mother and sister of the groom,  
came from Montreal to attend the  
wedding.

Miss Snowball was one of the  
most popular young ladies on the  
North Shore, a leader in society  
and one whose large circle of friends  
will regret very much her depart-  
ure from their midst. The happy  
couple have the cordial good wishes  
of a large circle of friends for much  
happiness in their married life.

## DELIGHTED WITH I. C. R. TRAIN SERVICE.

Prince Fushimi Expresses his Grati-  
tude to the Management for the  
Splendid Arrangements for his  
Journey.

Before leaving Canada for Jap-  
an, His Imperial Highness Prince  
Fushimi of Japan, instructed his  
Secretary to send the following  
telegram to the officials of the  
Intercolonial Railway:—  
To D. Pottinger,  
Moncton, N. B.,

His Imperial Highness, Prince  
Fushimi, desires me to express to  
you his warm thanks for the ser-  
vices of all the officials of the In-  
tercolonial Railway on the train  
from Quebec to Toronto. Every-  
thing worked with the greatest  
smoothness, and His Imperial  
Highness much appreciated all the  
arrangements made to insure him  
immediate relatives of the contract-  
ing parties. The church was  
beautifully decorated with flowers,  
and plants and presented a very  
artistic appearance. The bride was  
attended by her sister Lillian, and  
Alexander Thompson of Frederic-  
ton, cousin of the bride, supported  
the groom.

He is grateful to you for all  
your services on this occasion.  
(Signed)  
NAGASKI.

In discussing the Royal Train  
which the Intercolonial Railway  
placed at the disposal of His High-  
ness on his arrival at Quebec, the  
Toronto World says:—

The Royal train which created  
so much attention was composed  
of seven cars, occupied by a party  
of about forty. It was the first  
real government owned train  
which ever arrived at Toronto, a  
fact which was remarked by rail-  
way officials. Five of the cars, on  
the Intercolonial Railway which  
never saw Toronto before, returned  
this morning to resume their usual  
grind as a portion of the regular  
equipment and service on the In-  
tercolonial Railway, to which it  
may be said they are a distinct  
credit. They are cars that are in  
ordinary use on the "Ocean Lim-  
ited" and their general appearance  
is pleasing. The other two cars  
were those known as the Govern-  
ment General's. They are the "Corn-  
wall" and the "York" and were  
occupied by Prince Fushimi and  
his suite who were greatly pleased  
with the attentions to their com-  
fort and expressed themselves ac-  
cordingly. The Prince through his  
interpreters lauded the railway  
service. The Observation and Din-  
ing room on the Cornwall was  
very handsomely decorated with  
evergreens and flowers as was al-  
so the Dining Car of the Intercol-  
onial Railway.

of a plentiful supper. The large  
number of beautiful presents testify  
to the good wishes of their many  
friends, who wish the newly wedded  
couple every happiness.
