THE WRECK OF THE BRITISH BARK that the total sums coll amounted to £51,948, as

We have received the following interesting account the wreek of this vessel, and the receive of the crew by Captain Nyes of the Facilia, from her commander. Capt John D. Rossell—

Sailed from Quebec on November 15, 1852, bound to Belist, in Ireland, with a cargo of timber. The first part of the essays was accompanied with snow and ice. When the prior left the ship, it was snowing and freezing fearfully; however, got down the St. Lawrence as far as St. Faul's sland, when the wind legan to blow from the eastward however, coutuned on it southward direction. If we got as far south as far as 43 degrees of North latities, when, supposing us drawing near the gulf stream, tacked ship to the northward shood on till about thirty five miles from Capt Race, again tacked ship to the northward shood on till about thirty five miles from Capt Race, again tacked ship to the northward shood on till about thirty five miles from Capt Race, again tacked ship to the northward shood on till about thirty five miles from Capt Race, again tacked ship to the northward shood on till about thirty five miles from Capt Race, again tacked ship to the province generally was object to continue and the province generally was object to continue and the shoot street the supplementation of the would be shouthward, but, the whol increasing was obliged to beave the ship is boring beavy, and continued so fer four ices hours, the wind increasing was obliged to beave the ship is boring beavy, and continued so fer four ices hours, the supplementation of the would be the southward, and took every advantage.

bands to shorten sait; haded the courees up, and stowed jib and spankers
the gale all increasing, when the
main passi epit and went to pieces, also,
the fore topsail and mainsail—sail going
to pieces at once; the ship laying down

Previous to the departure of Worshipful Brother William Gunn, Past Master of Unios Lodge, No. 6 499, for Kincardine, in the Huron Tract, the Brethren of that Lodge invited him to dine with them. On the day appointed, the 37th of Sept. the Brethren of that Lodge invited him to dine with them. On the day appointed, the 37th of Sept. the Brethren met their gueste at the Ind of Brother George Carmil, to whom was surrusted the offices of Cateror on this occasion, and who, as usual, acquitted himself to the entire esticiation of the fraternaty. The Chair was taken by Bre. John Chamberlain, W. M., with Bros. Acabel B. Mc. Cay and B. G., Davy, senice and junior Wordens. In their respective places. A blessing having been scheel, the Brethern sat down to dimer, and certainly did ample justice to the good things set before them; for, on the fragmente being taken up, it appeared very evident that, with the practice of the darker mysterica of the craft the Brethen present had attained to a high state of profice any in the "kalfe and fork" degree. On the removal of the classify the W. M., the Wardens asisting, viz. The Queen and the craft.
