MANY CHALLENGES FOR CUP. Ottawa, Oct. 28-The Edmonton challenge for the Stanley cup has been re-ceived by the trustees, and they are now considering it. Mr. Foran states that nothing will be done regarding cup challenges for two or three weeks, but in the meantime they are pouring in. The Nelson challenge is understood to be on its way from Lester Patrick, while the Galt team, champions of the Ontario professional league, have sent word that they are open for dates. Cobalt, champions of the Temiscam district; Renfrew, champions of ing district; Renfrew, champions of the Federal, and the Winnipeg Strath-conas, champions of Manitoba, have also challenged. The Strathconas' chal-lenge has first call, and they are sure to get dates. There will only be two or three series at best, and it is likely that the trustees will reject those of all the teams which intend making up allstar sevens from all over the country. Jumping from one team to another now prohibited, and the trustees will likely bar from future Stanley cup games all who were not with their present \$535 on the season.
