#### McMurdo's Store News.

FRIDAY, March 4 We have had a number of enquiries of late for Vapor Cresolone Lamps-or the Daily Star showed them that they rather the complete outfit for vaporizing Vapor Cresolene-which is largely prescribed in cases of Whooping Cough, so prevalent among the children at the present day. It is, as is well known, during the night that the paroxysms of coughing in this distressing complaint are most frequent and severe and the burning of this little lamn, which vaporizes slowly the liquid Cresolene, which vapor certainly gives relief to the little sufferer during the sleeping hours. Price (complete outfit) \$2.50. Extra bottles of Liquid-40c., 80c. and \$2.40 each. Acme Camphor and Hartshorn Liniment is a really good thing. Price 15c.

## Hockey Notes.

Last night's game between the Elks and the City had to be postponed on account of bad ice. It will be played at the earliest opportunity.

There are still some optimists who bount to come and that hockey is hy no means over vet. Some hope!

If, however, a cold spurt does come Star's statements. We knew it was St. Bon's was the only team to heat would undoubtedly prove an interesting one.

> We hear that preparations for the Feildian's Championship Hockey diner are now well in hand.
