DYSPEPSIA.
There is no disease which experience has so amply proved to be removable by medicine.

PERUVIAN SYRUP.
(A protected solution of the Protocid of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as amply testified by some of our first citizens.

From the venerable Archdeacon Scott, D. D., Dunham, C. E.—I am an inveterate dyspeptic of more than 25 years standing. I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. Persons who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me.

Another clergyman writes as follows:—My voyage to Europe has been indefinitely postponed. I have discovered the "Fountain of Health" on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend Dyspepsia.

A pamphlet of 32 pages containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free by address. The genuine has "Peruvian Syrup" blown in the glass.
