

An eminent divine says, "I have been using the Peruvian Syrup. It gives me new vigor, buoyance of spirit, elasticity of muscle." J. P. Dinmore, 36 Day Street, New York, will send, free, a pamphlet of 32 pages, containing a full account of this remarkable medicine, to any one sending him their address.

A few years ago Mr. Fellows ventured to recommend a new combination of Hypophosphites (Fellows' Compound Syrup of Hypophosphites) to the medical profession and the public, based upon the effects he himself experienced from its use; since then it has been employed with marked success in the treatment of various debilitating diseases, and the sale which was first numbered by single bottles, has now reached large proportions. Many cases of confirmed Consumption are known to have been cured, while great improvement has been marked in all. The inventor has yet to be informed of a single instance where Bronchitis has not been successfully treated by it; while in other Lung difficulties it far surpasses everything hitherto known. Its freedom from the constipating tendency of many otherwise valuable remedies, makes it obviously adapted to a wide range of diseases.

Wife—I wish I could but speak to every mother in America, especially those who live in the country places, and far from the Physician, I would like the person's wife to insist on their buying a bottle of this Davis Pain Killer. If they wish I could present them with a bottle, but few very few indeed but could find a quarter of a dollar to buy it; they only knew the benefit and comfort it would afford them.

Husband—For children the Pain-Killer is invaluable. Aches and pains are nothing with them; if they have the Pain-Killer at hand it goes as quickly as lightning. It has been invaluable; it cured you of Dyspepsia and for me I cannot express my thankfulness since my terrible Rheumatism left me.

Wife—I must be sure and tell the Person's wife what a blessing this Pain-Killer has proved and what a good work she is doing in telling its merits every where she goes.

The Pain-Killer is an internal and external remedy for pain. For internal pain, Cramps, Spasms, Sudden Colic and difficult, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis 18 Son, and sold by Druggists and Grocers.

MRS. WINSLOW'S SOOTHING Syrup.

REV. Sylvanus Cobb thus writes in the "Boston Christian Freeman": "We would by no means recommend any kind of medicine which we did not know to be good—particularly for infants. But of Mrs. Winslow's Soothing Syrup we speak from knowledge in our own family it has proved a blessing indeed, by giving an infant troubled with colic quiet sleep, and its parents unbroken rest at night. Most parents can appreciate these results. Here is an article which works to perfection, and which is harmless; for the sleep which it affords the infant is perfectly natural, and the cherub awakes as bright as a button. And during the process of teething its value is incalculable. We have frequently heard mothers say they would not be without it from the birth of the child till it had finished with the teething stage, on any consideration whatever."
Price 25 cents. Sold everywhere.
