RAILWAY RUMBLINGS.

Increase in C. P. R. Land Business New M. C. R. Station for Dutton.

The C. P. R. announces that its land isiness in Manitoba has increased more than 120 per cent this year. Grading on the Dauphin road has been completed to Lake Winnipegosis, and track laying will be finished by the end of the week. The site for the new town of Winnipegosis has been laid out and will shortly be placed on sale.

The M. C. R. are about to build a new station at Dutton. The material on the ground and operations will be with one exception, the most commodious and convenient station on the line in Canada. It will be divided into a ladies' and gentlemen's waiting rooms, with the telegraph and ticket offices between, the present station to be used entirely as a freight house. The new Yesterday was a day of sunshine for building will be surmounted by two the inmates of the London Asylum for turrets, and will in every way be an
