IS A BUSINESS PROPOSITION

The Principal Asset of the Successful Business Man.

The head of the largest meat packing industry in the world, for many years, prior to his death, never trawithout his physician; everywhere he was accompanied by his medical adviser; he hired him for his exclusive attendance by the year and considered the large salary paid for such service as a part of his business investment. He did not do this because he was a hypochondriac, in constant fear of illness and death; on the contrary he was an exceptionally robust man, but he realized that the principal asset in his enormous business was his own personal health, and to keep physically and mentally well and strong was a business proposition, pure and simple.

It is so with every business man and woman. A slight cold in the head or throat may pass off in a few days, or it may develop into Pneumonia, Chron-Catarrh, or an irritating throat trouble; in any event its departure should be hastened by some simple antiseptic preparation like Stuart's Catarrh Tablets, which in the mouth and thus reach and destroy the germs of Catarrh, Pneumonia, Consumption, before they have a chance to propagate and thrive in the inflamed mucous membranes of the

nose and throat. To burden the stomach with drugs and stimulants is a foolish and often dangerous way to combat a cold, because stimulants are always followed by corresponding depression and where there is any tendency to Pneumonia ncreases the danger by increasing the

neart's action. A popular school teacher in Pittsburg writes: "I am a walking advertisement for Stuart's Catarrh Tablets; the change from a crowded steam-heated school room to a raw, chill out-doors kept me nursing colds in the head and throat from fall to spring. Throat irritation made it difficult for me to read or speak and conduct my classes. My druggist with whom I spent a large part of my salary for cough lozenges and potash tablets one day advised me to try Stuart's Catarrh
Tablets and I shall never cease to
thank him. I still catch cold occasionally, but I stop it in a day or two
with the tablets, and I have done missionary work with my pupils to such an extent that coughs and colds are almost unknown amongst the young-sters in my room."

meeting night, the 18th inst., when it is expected that grand lodge officers and other prominent Workmen from this city will assist D. D. G. M. Foreman in the installation ceremony. ENTERTAINMENT AT LUCAN.

One of the most successful entertainments ever given in the town hall at Lucan was held there on New Year's night, when the entertainment at Holy Trinity Church took place. Not only was the hall crowded to the doors, but many had to be turned away. Among the names on the programme were those of Miss Katherine Moore, of the Conservatory of Music; Miss Merle Brock, Miss Adelina Lillywhite and Mr. Arthur Garthwaite, of Lon-don. The Bible class orchestra of the Memorial Church also assisted. FUNERAL OF MR. ROBT. STEVEN-

Mr. and Mrs. John Reed, of 113 Wellington street, have returned from Wyoming, where they have been attending the funeral of Mrs. Reed's father, Mr. Robert Stevenson. The interment took place at Oil Springs Cemetery. Mr. Stevenson, who was killed in the wreck at Wanstead, was reported in the list of killed as John Stevenson. He was 76 years of age and resided in Lambton County the greater part of his life. He is survived by his wife and seven children: Charles, in the States; William and Henry, 5th line, Dawn Township; Alonzo, of Marthaville; Mrs. S. Reese, Dawn; Mrs. R. Parker, of Walkershire, Wis., and Mrs. John Reed, Wellington street.

DEATH OF FRANK CONNOR. Mr. John Connor has received word from England that his son Frank died some three weeks ago at Bournemouth, Dorsetshire. He had been endeavoring to recuperate his health at Bournemouth, which is one of the health resorts of England. Frank Connor was a well-known theatrical man, and prior to leaving for England, some nine years ago, had been connected with several successful enterprises in the states. He brought a number of companies to this city and went to England with Go-Won-Go Mohawk, the Indian actress. He had been in England since, remaining in the show business. He was married in this city and leaves a wife and one child, who

John J. Burns Didn't Need To Be Told to Try Dodd's Kidney Pills the Second Time.

Darnley, P. E. I., Dec. 29-(Special). -John J. Burns, who lives on lot 18 of this township, tells how Dodd's Kidney Pills speedily relieve those ailments that often follow an attack of the Grippe. Two years ago he was cured of chronic Inflammation of the Loins and Kidneys by Dodd's Kidney Pills, so last winter when the Grippe left him with pains in his back he

knew where to turn. "I was in good health two years after taking Dodd's Kidney Pills," says Mr. Burns, "until last winter I took the Grippe, which affected my back. I took a few more boxes of Dodd's Kidney Pills, and I am now en-

joying good health again." Dodd's Kidney Pills never fail to relieve and cure permanently all those aches and pains resulting from diseased Kidneys.

Henry said:
"The French Jockey Club has postponed the hearing of my suit three different times, the limit, as I un-derstand French law. I have a right to exercise the same prerogative, and as I want to get some testimonials of my good standing over here to take abroad with me, I have determined to instruct my lawyer to have the suit postponed for about three weeks. LAJOIE IN BAD SHAPE. Cleveland, Ohio, Jan. 2. - Napoleon Lajoie's condition has been showing considerable improvement, but he was attacked yesterday by the pleurisy pains in his side, and was otherwise in such serious condition that Manager Armour decided upon a change of doctors for the great ball player. This is the last move in a series of fortunate investments in Kansas City real estate, upon which Ryan has cleared \$17,600 in the last two months. Ryan is much wealthier than he is commonly thought to be. He is worth \$100,000, and probably one of the richest pugilists in the world. Ryan cleared \$5,000 in London during the coronation. When he defeated Carter at Fort Erie last September, his share of the purse was \$7,-000. When he sold his saloon here a year ago he made money. Ryan sold the saloon because, as he said, "I ain't intended for the business, and I don't like it, either."
