ONE-THIRD OFF SALE

Now in Full Swing

A CLEARANCE, a scattering to the trade winds, of GRAFTON'S clever clothes at a straight discount of 33 1-3 per cent from regular prices. These reductions are greater than you think, for you must remember that this cut of 33 1-3 per cent is based on manufacturers' prices.

Add to this that the clothes involved in this sale are the most appreciated and craved for by critical men, and you have the main reasons why people come from all directions to take advantage of this sale.

We'd like to tell you how to avoid the crowds here, but we can't. Our customers don't miss this sale, and the general public, in increasing numbers each season, is learning that it is too good to miss. Certainly they won't all be sold tomorrow—nor a week from tomorrow—but first choice counts with most people. If it does with you, by all means come Saturday.
