TO HOLD FIRST 1922 MEETING

cation Will Assemble Thursday.

CHAIRMEN TO BE NAMED

convene for the first time on Thursday H. Bartlett. night at 8 o'clock, when a chairman will Wadmore

The issue at stake is whether the men will accept the present scale of wages which became effective last July with a reduction of 12½ per cent, or whether it shall remain tentative and reopen negotiations with the management of the railroads.

About 1.00 men in London are conscienced, and it is expected that all will in this locality should be cleared, lights.

Thames or Queen's Park, under the supervision of the committee, could be in any decent shape for use, and then only on the chance that the cold weather would last.

That the present scheme will never whether it shall remain tentative and so one feasible solution, however, the supervision of the committee, could be in any decent shape for use, and then only on the chance that the cold weather would last.

That the present scheme will never whether it shall remain tentative and selection of Roman Catholic representation is problematical. Since the separate school board advised that "under the same as last year.

Whether the new board will consider the question of Roman Catholic representation is problematical. Since the unable to send its two representatives as usual," the matter has remained in abeyance. Although the department in Toronto has been notified for some days to this effect no word of suggestion or

custom in former years to award the chairmanship to that trustee who claimed seniority by right of service. Another unwritten law was to the effect that the chairman of No. 1 committee should, if he remained for the following year, be selected as chairman. Last year, however, the situation was complicated by the fact that both Trustees Coleridge and Edwin Smith were equal in seniority, and it has been admitted that the "Collegiate Institute

ON NEW HOTEL Construction Representative Arrives To Push Operations

On London's Hostelry.

Tuesday to start operations on the new hotel to be erected in London. Wednesday morning will see the start of the project that has been keeping Londoners wondering for the last year when it was going to begin. A start has really been made, for the office of B. N. Rosenbaum in the Royal Bank Building was a veritable bive of industry all day taken to be a start of the new board on Thursday night.

In his report at the last meeting of the new board was the chief feature of the annual baneous the board, Trustee Bice explained that insufficient time had been allowed to adequately consider a mass of data obacquately consider a mass of data

There is only thirty per cent of the stock to be sold in the city, the other 70 per cent having been arranged for from other sources, and it is the intention of Mr. Rosenbaum, who is personally putting this issue on the market, to stay in London until it is all sold.

Offers Attraction.

The issue, it is claimed offers special.

The issue, it is claimed, offers special attractions to Londoners in that they will receive, three shares of common stock with every one of preferred sub-scribed for. It was the original in-tention to give only one share of comnon with one of preferred, but after a neeting of the directors it was decided hat three would be given and neither ime, money or energy would be spared n the efforts of the promoters to make his proposition a thorough success. Mr. Rosenbaum has spent the last months making arrangements to build this hotel in London and he has perfect confidence that the people will elcome this opportunity to invest in It is the opinion of the directors that

his is the most attractive investment

be started as soon as the nature of the ubsoil has been determined.

Just how long it will be before the work can be started depends on what started Wednesday or Thursday.

BATTERY TO HOLD

Unit Will Gather At Guelph. The members of the 23th Battery will
