re recited . ESTIMONY WHEREOF, We have caused hese Our Letters to be made Patent, and the Great Seal of the said Provin to be hereunto affixed: Witness, the Honorable JOHN HERBERT TURNER, the Deputy of Our Lieuter Sovernor of Our said Province of British Columbia in Our City of Victoria n Our said Province, this four day of August, in the year of Gur Lord one thousand eight hundred and ninety ur, and in the fifty-eighth year of Our Reign,

JAMES BAKER,

From THE DAILY COLONIST, September L. THEOD CHINY.

Mr. J. A. Carriew, the well-known Northern canner, has broken the record for salting salmon this season, having put up over 1,000 barrels. The quality of the fish is said to be superlatively excellent.

THE Inlandi Revenue returns for the mo of August are as follows: Spirits, \$6,852 58; malt, \$2,132 44; tobbacco, \$3,970 25; cigars, \$769.35; methylated spirits, \$62 38; inspecting petroleum, \$67 55; and rent of land, \$5.00. Total, \$13,859 55.

AMERICAN Consul General William P. Roberts was formally installed in office yes-Consul Myers remained until the end of the month to put things in shape and yesterday handed over the keys. A number of business men called on Consul Roberts during the day.

THE provincial and city officials have been notified that Victoria will soon receive a visit from Prince Gregoire Galitzan, lieutenant general in the Russian army, member of the council of the Russian Empire, and cousin of the Czar. The Prince is now in Winnipeg, and will proceed westward in a few weeks. He will probably be given a formal reception.

THE two 'longshore characters, Hennesey and Anderson, appeared in the police court yesterday to answer to a charge of representing themselves as members of the crew of the schooner E. B. Marvin, thereby getting some \$60 worth of goods from Morris Marks. A conviction followed, and the men were given three months each. During the hearing it developed that Marks had used andus urging in selling the goods, and the court lectured him to the extent of saying that if the goods had been lost he would have been deserving of little sympathy.

An old man named C. M. Scovile, living death to have occurred from heart disease. The police then had the remains removed to the city morgue, where they will be kept for a day or two. So far as is known there ies. are no relations of the deceased living in the city. The deceased had worked for the city

BETWEEN three and four hundred people patronized the excursion to Sidney yester-day under the auspices of the Victoria Lacrosee club. The trains which bore them Lacrosse club. The trains which bore them to the piunic grounds were fairly well filled. The ride over the new railroad proved one of the enjoyable features of the day. At Sidney dancing was participated in to the music of the Bantly family orchestra, but only two events of the programme of sports to have been furnished materialized, the others being locked up. It looks now as if Forbes will have to larguish in durance units of cancelled by rain. These two events

AFTER a number of weeks of postpone-ments the arbitrators in the case of Elford and Smith vs. the Victoria and Sidney Railroad have arrived at a unanimous de cision By the terms of the decision the plaintiffs are awarded between \$5,000 and 6 000. The dispute arose by reason of the railroad company taking possession of the plaintiff's yards, and thus injuriously af-fecting their brick making business. The matter has been under discussion for a long time, and although the arbitrators agreed upon the verdiot, it is understood that both

Smith, with B. W. Pearse as umpire. WILLIAM HURT ("Billy Hurt"), probner, "Col." Daly. They took a run down to E quimalt dockyard during the after-noon, anxious to "take in" the Navy or anything else that happened along. Mr. Hurt's reputation as a poker player has raised him to such a pinnacle of eminence that when he visited the Midwinter Fair in to the fair which will open in Los Apgeles official visit, at which he reco to travel further westward without delay. During his California visit, however, Mr. Hurt found time to write a very interesting review of "Poker as she is played by Messrs. Hurt and company," for the Examiner, in which paper it was first announced that "Billy Hurt" had renounced his questionable calling and would never turn an-

MR AND MRS JOHN GRAHAM, of Barossa Lodge, left for Scotland by the C. P. N. Company's steamer on the morning of the 24th ult., and took the Atlantic express for Montreal the same day, intending to catch the Allan liner Parisian for Liverpool sailing yesterday. Mr. Graham came to this colony n 1859 and has resided in British Columbia ever since. He was for many years in the colonial service, being employed in the office of the treasurer at New Westminster and later at Victoria. At the date of confederation he was the head of the Treasury de-partment, but the colonial order of things partment, but the colonial order of things being then at an end, he entered the Dominion service, accepting the position of maniager of the Dominion Savings Bank and of assistant Receiver General for the province. Several years ago Mr. Graham applied for and was granted his superannuation, and has since lived a quiet and studious life at his beautiful home on Simoge street. As his beautiful home on Simore street. As became a public servant, he took no part in give an excursion to Tacoma within the next ten days and others are being talked of. promote the prosperity of his adopted country had always his hearty sympathy. The COLONIST wishes Mr. and Mrs. Graham a cities having promised exhibits. safe and pleasant journey to their native land and a very happy sojourn there.

In the Methodist Magazine for September the editor describes, with nearly a score of engravings, sights and scenes in Damascus, the oldest and one of the most interest ing cities in the world. Another beautifully llustrated paper is that by John Addington and Miss Symonds, on "Life and Adventures in the High Alps." It describes to-bogganing and other exploits of thrilling in-terest. A valuable article on "The Reverend Ryerson," with fine frontispiece of statue, as it appears in the Normal school grounds, is from the able pen of John George Hodgins, LL D. An impressive discourse Hodgins, LL D. An impressive discourse by H. J. Pope, president of the Wesleyan Conference, and delegate to our own General Conference, entitled, "That which is Another Man's, and that which is Your Own." is given. Of timely interest (in view of the approaching General Conference), is an article by Dr. Schell, on "The Epworth League, its Opportunities and Perils." A paper, that should be read by all the members of the Methodist church, by the Rev. Alfred Roebuck, B.D., F.R.G.S., on "Class-meetings and Perils." ings, and How to Improve Them," graphic sketches on mission work in New York, the illustrated story of "Spindles and Oars"— H. Brackman returned yesterda life in a parsonage, the Cornish story, a visit to the Alberni mining district.

short sketch of "Archdescon Farrar," and a brief paper, by Rev. Hugh Price Hughes, on, "The only Successful Missionary Meth-od," make up a good number.

NAVAL contracts have been awarded for the current year as follows: Fresh meat and vegetables, R. Porter & Sons; fresh bread, Brackman & Ker Milling Co.; and provisions, Henry Saunders.

THE fourth annual meeting of the Provin cial Dental Association will be held in Vic toria on October 4 and 5 Delegates will attend from the Mainland cities and Na naimo. The local members have arranged programme for the meeting, and will also provide for the entertainment of the visitors.

LATE reports last night from the Jubilee fence to rest and in some way managed ischarge the gun, lodging the contents in pital and Dr. F. W. Hall went out to the scene, improvised a stretcher and had the boy brought to the hospital, where he performed an operation, removing a part of both the humerus and collar bone.

The Satanita crossed at 10 30 21. Both had their jack-yarders and jib topsails set and had a free reach to port for Torcross, which they rounded in this order:

Vigilant—11 09 45; THE unfortunate position of the carriers

Ottawa. There are, besides the thirteen carriers, two messengers and fourteen clerks in the Victoria office deeply concerned and how they are going to make ends meet, no one can foresee. Yesterday one of the carriers, Mr. A. Torrance, left the service, though what he is going to do now neither An old man named C. M. Scovile, invited in a cabin on Fort street, dropped dead while preparing his supper at eight colock of whom is about fourteen years of age, dependent upon him. > > STORIES OF THE SEA.

Two Well Known Captains and the Yarns That are Spun at Their Expense.

Cow's Moo Mistaken For a Fog Signal -Another Slight Misunderstanding.

There are two good stories going the rounds on Puget_Sound concerning Captains Carroll and Hunter. On a recent trip of the steamer Umatilla from San ties to the fact that another fakir is engaged Francisco, while off Cape Mendocina, where the weather was very hazy, and 200 yards of the commedore's boat. She then hove to and took in her head sails. After a short time she set them again, but lay still making no attempt to reach the commedore's boat. The committee decided tiously placed in the "new ad." column. Strangely enough a penny dodger alone sufficed to convey the following Pythagorian claims. Listen to Yolande while he shyly murmurs:

dull sound of a fog whistle reached his ears. He was in the midst of playing a new waltz, and dropped the violin, "I am a scientific astrologist, palmist, grabbed his cap and rushed out on deck,

> the fog signal.
> "Why, we have heard no whistle" they answered in a surprised tone. "It can't be possible that I was mis the sound also. The men in charge of account of the steamer stopping, walked

up to Captain Hunter and asked Don't you know what sound that was, Captain ? "Why, a fog signal, of course, wasn't it?" was the hesitating and inquiring

"No, it's the Jersey cow in the forward hold. She's been disturbing us passencare of a dollar from each, to which four gers all day with her bellering", and just more could be added next week, in return then come another long blast from the then come another long blast from the for a short sketch of the past, present and innocent bovine down in the lower deck future, diagrams of how to win on the latest of the vessel. The look of complete disgust, anger, chagrin and a half frozen

heard a fog whistle lately. The other story at Capt. Carroll's ex-THE Liberal Association Laurier reception committee have completed arrange-trays the character of the old Alaska ments for the entertainment of their guest navigator. On his last trip north he and party, whose arrival is expected about the 8th of the month. Mr. Laurier and friends will be the guests of the association he got to Sitka the collecter imposed a at the Driard. The public meeting will be fine on the Queen of \$500. This naturally incensed the old Skipper, who is now looked upon as the father of Alaska, and when going into Juneau he found the old gun boat Pinta lying across the channel. Not being in very good humor toward Uncle Sam or any of his subordinates. Capt. Carroll, who was on the bridge, called out "Pinta ahoy!" "steamer was on Thursday last seriously injured by Queen!" come the reply from officer on the accidental discharge of a shot gun. Mr. the deck. The captain of the Pinta Hall and his brother were loading his outfit happened to be present. "Get that d—d

reply and took his time about getting out

ment of friends induced Carrall to acquiesce and the two belligerent skippers met, shook hands, cracked a few bottles Forest Fires Spreading Greatly in in honor of the auspicious occasion and are now the best of friends.

CANADIAN NEWS.

(Special to the Colonist.) WINNIPEG, Sept. 1.—John mayor of Prince Albert, is dead.

RAT PORTAGE, Sept. 1.-Hon. Mr. Laurier and party arrived here to-day. This morning the members of the council and others waited upon Mr. Laurier and tendered him an address of welcome, after which they proceeded to the steamer Em-press and a trip was made on the lake and lunch served on board. A big meeting was held to-night.

Kingston, Sept. 1.—Gold assaying \$120 to the ton is said to have been discovered in

Clarendon township in this county. MONTREAL, Sept. 1. - A man named Geo. Jewett is dying at the General Hospital from the results of an outrage committed on him to-day. He was standing outside the Salvation lighthouse when someone ex-ploded a dynamite cartridgs under him. His ear was taken off and legs badly injured. Part of the shell penetrated his hip. MONTREAL, Sept. 1.—It has been discovered that \$10 Bank of Montreal bills raised to fifties are circulating here.

S. J. Chapleau, of the Public Works Department, Ottawa, who has been in town for several days, and C. N Macdonald, of the same branch of the civil service, and at present in Victoria, left this morning for a few days visit to Harrison Hot Springs.

M. Hammerly, a well-known business man of Hillsboro, Va., sends this testimony to the merits of Ayer's Sarsaparilla: "Several years ago, I hurt my leg, the injury leaving a sore which led to erysipelas. My sufferings were extreme, my leg, from the knee to the ankle, being a solid sore, which began to extend to other parts of the body. After trying various remedies, I began taking Ayer's Sarsaparilla, and, before I had finished the first bottle. I experienced great relief, the first bottle, I experienced great relief; the second bottle effected a complete cure."

Ayer's Sarsaparilla Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Cures others, will cure you
