THE WHEEL

REYNARD AND ALLEY QUALIFY.

The last of the selection heats for the Harris handicap road race of 10¹/₂ miles was ridden at Beacon Hill yesterday in a full gale, M. C. Reynard (3 min.), and T. E. Alley (soratch), qualifying for the final. E. W. Bradley (scratch), George Lincoln (3.30) and C. H. Gibbons (1 40) also rode, and the city champion made a fine fight for second place and time honors with Alley, who beat him out in the stretch by a bare half second. The track was heavy and slow, and the time made by Alley (who by the way is the first of the scratch men to qualify) stands as one of the crack performances of the season, Bradley rode in hard luck, being forced to change wheels during the race owing to a tire mishap, but finished gamely as usual. Reynard, who had only to overhaul Lincoln, once again justified the confidence of his friends and made a cool and speedy finish. The result of the heat summarized is as below: Place. Rider. Mount. Wt. Hc'p. Time.

The result of yesterday's race leaves the following eligible for the final struggle : H. Wille (4 mins.), T. A. Johnson and M. C. Reynard (3 mins.), C. Bash (2 mins.), T. G. Moody, jr., (1.40 mins), W. Hewartson (1.30 mins.), T. W. Kavanagh (1 min.), and F. E. Alley (scratch).

YACHTING.

The second of the fortnightly sailing rrcss of the Victoria Cance Club came off yesterof the Victoria Canoe Club came off yester-day afternoon. The course was from the club house around a point at the mouth of the harbor and return, twice over the course. Four cances started : W. Christie's Electra, C. A. Godson, W. S. Gore and F. G. White's Lorna. Owing to the heavy wind all cances were reefed. White reached the first turning point ahead, but misstayed and was passed by the balance of the fleet. Christie rounded the second and third turns ahead, and finished an easy winner. God-son sailed under the disadvantage of a suit of ealls strange to him, his own having got of sails strange to him, his own having got soaked with water before the race, owing to a capsize at the club house. The standing of the fleet is now :

THE " DEBORAH " WINS.

The following yachts started in yesterday's half-rater race: Annie, Vlola, Plunger, Deborah and Edith. A high wind was blowing and all the yachts were fully reefed down except the Annie, which started with full sail. The Deborah shock out the reef in her mainsail before reaching Sehl's Point, and from there on took the lead and keeping it right round the course came in about five minutes ahead of the Plunger, which was in second with the Annie third.
