### Dainty Millinery at Popular Prices

NO matter what your position in life may be, you will be able to find a hat that will please you in the assortment that is now to be seen in the Millinery Department on the Second Floor.

Our buyers are constantly visiting the fashion centres in order to get in touch with all the fashion tendencies, and our stock includes copies of some of the best models produced by Parisian, London and New York artists.

If you wish to trim your own hat, we can supply you with shapes, flowers, ribbons, ornaments, and all other necessary materials at a moderate price consistent with a fine quality.

We aim to please you and try to give you the most distinctive millinery without going to the price extremes that are so prevalent at the opening of the season.
