KING STREET UNITED.

King Street United Church picnic carelle called forth over 300 members of the kirk to participate in an intensely interesting program of sports after gathering in the city at the Lyle street barns and leaving for the park at 1.30 o'clock sharp. There were sports events everyone and there was fun and there were refreshmenst for everyone, so that the slogan used in a previous publicity campaign, "Bring family and friends and something to eat, for picnics you'll find King Street cannot be beat," was lived up to in word and deed. There was an element of mystery in the King Street picnic. For two hours everyone in the party sedulously searched for the mystery lady who was Neil, T. Western Ontario 13 to have a Derry Day celebration. Black Knights of Huron, Middlesex. Perth and probably several other counties will gather at Goderich on August 12. A special C. N. R. train will run from London, arriving at Goderich about 11 a.m., and tickets will be obtainable at an excursion rate. Wor. Sir Kt. W. C. Slyford, county master of Middlesex, who attended a gathering at Walton on Tuesday eve-

ning, with a view to consulting with Huron and Perth officers, found that all were enthusiastic in regard to holding gathering on August 12. Goderich was favored by most of the sir knights. and the Huron County town, which is the home of Golden Gate R. B. P., No. 1034, will no doubt prove an attractive spot next month.

Sir Knights of St. Thomas will be asked to take part, and it is expected that Lambton preceptories will find Goderich convenient. Brant will be extended an invitation by Huron Black Chapter, which is in charge of arrangements, but Welland celebration will no doubt attract the knights from eastern points. It is the intention to have the Goderich event well announced at the big Orange celebration here on July 12. The Walton meeting, at which the officers of a preceptory were installed, was attended by about 75 knights from Stratford, Clinton, Seaforth and Varna, as well as the immediate neighborhood. Rt. Wor. Sir Kt. W. H. Tuck, of Teronto, grand master, Ontario West, officiated.

A window behind the glass of which there were some lovely things, and those lovely things were some of the new French frocks. Though we of the more tender sex always do take an interest in clothes, these dresses were worth that interest. As late June comes and with it many flowers, these frocks seemed truly to rival nature. One black had large roses printed on it, another had the new daisy pattern, and yet another more.

The finger-tip jumper frock which was at first purely a sports creation, is now being worn for more formal occasions and in this window I saw a lovely one.
