Those figures have a vital significance to you.

Think for a moment of the exact temperature at which water boils.

Below that you have merely hot water—above it, part of the water becomes steam.

In years of motor car production on a gigantic scale, the Maxwell builders have learned:

(1) That, in building a car to sell for less than \$1045, while materials cost what they do today, they would have to sacrifice something—efficiency, durability, economy, comfort, beauty, or standard equipment, all of which the Maxwell possesses.

(2) That, in building a car to sell for more than \$1045, they could give you no more practical value—but only increased size, weight or luxurious trappings.

They have found the point of definite motor car value, as fixed as the boiling point of water.

Think that over before you buy a car costing either more or less.

D. A. MAXWELL
DEALER WATFORD

Death of Wm. C. Watson, of Metcalfe

The death occurred at the family residence, lot 3, con. 2, Metcalfe township, Tuesday evening, Jan. 29th, of Wm. C. Watson in his 85th year.

The deceased had been a life-long resident of the Township and had followed threshing for many years.

Besides his widow he leaves six sons: Edward, of London; Wm. of Winnipeg; Henry, of Metcalfe; Arthur, of Detroit; Bruce, of Victoria, B. C.; Allan, of Lobo; and four daughters: Mrs. Lorenzo Smith, of Watford; Mrs. Wm. Shambelan, of Metcalfe; Mrs. Rich. Waltham, of Adelaide, and Mrs. Clifford Freer, of

Metcalfe.

He also leaves four brothers and three sisters, as follows: David, Henry, Celise and Peter Watson, of Brooke; Mrs. David Campbell, of Carson City, Mich.; Mrs. Jos. Esterbrook, of Warwick; and Mrs. John Johnston, of Bothwell

Early vegetable growers around Kingsville are in a quandary about fuel. They do not expect to be able to get natural gas, and they have no coal or wood on hand for the heating of their greenhouses, and without the fuel they will be unable to grow the early plants necessary for their business.

WATFORD COUNCIL.

Watford, February 4, 1918.
Regular meeting of the Council. Present—Reeve, Harper, Doan, Hollingsworth and Taylor. Minutes of former meeting read; no objections. Reeve confirmed same.

Taylor—Hollingsworth, that we permit a separate meter for dwellings connected with business places, that dwellings may get the benefit in rate, instead of being charged the commercial rate.—Carried.
Doan—Harper, that poolroom applications be left for consideration until next regular meeting, present parties being permitted to run until then, paying proportionate rate of annual license fee.—Carried.

Fitzgerald—Harper, that auditors' report be received and adopted and the Clerk order the usual number printed.—Carried.

Harper—Hollingsworth, that By-law No. 3 to borrow monies for current use be read first time.—Carried and by-law read.

Doan—Harper, that By-law No. 3 be read second time and filled in.—Carried, and By-law read and filled in.

Doan—Taylor, that By-law No. 3 be read third time and passed.—Carried and by-law read and passed.

Harper—Doan, that By-law No. 4, appointing a constable and defining his duties be read first time.—Carried and By-law read.

Fitzgerald—Taylor, that By-law No. 4 be read second time and filled in.—Carried and By-law read and filled in.

Hollingsworth—Doan, that By-law No. 4 be read third time and passed.—Carried and by-law read and passed.

Fitzgerald—Hollingsworth, that By-law No. 5, appointing local fuel commissioner and comptroller be read first time.—Carried and By-law read.

Harper—Taylor, that By-law No. 5 be read second time and filled in with the name of William Harper.—Carried and by-law read and filled in.

Doan—Taylor, that By-law No. 5 be read third time and passed.—Carried and By-law read and passed.

Finance committee examined accounts and recommended payment.

Hollingsworth—Harper, that we adjourn.—Carried.

W. S. FULLER, Clerk.

Petrolia, Feb. 4.—Two farm residences in Ennisville Township were visited by fire this morning. The home of Philip Kimberley, of the 10th concession, was destroyed by fire, with a loss of perhaps \$2,500. Most of the contents were lost. The residence of John Stewart, of the 8th concession, was considerably damaged, the blaze originating from an overheated pipe.

HEATLESS DAYS FOR ONTARIO

Manufacturing Plants and Business Places to Close February 9th and 11th

Ottawa, Feb. 4.—On the recommendation of C. A. Magrath, Canadian fuel controller, to-night the Cabinet passed an order-in-council suspending the operation of manufacturing plants for three days, February 9, 10 and 11.

The only exceptions are plants which must be continuously operated seven days of the week to avoid serious injury to the manufactured products, plants manufacturing perishable foods and food necessary for immediate consumption, and plants devoted to the publication of daily newspapers.

The order applies to all business and professional offices, warehouses, wholesale and retail stores.

For the purpose of selling food only, stores may maintain necessary heat until 12 o'clock (noon) February 9 and 11.

The regulations do not apply to the heating of restaurants, hotels, or places where meals are regularly served.

The regulations do not apply to Western Canada nor to the Maritime Provinces. The order as passed, will apply to all of Ontario and Quebec, from Fort William on the west to Riviere du Loup on the east.

Mr. Magrath, who is in Washington, is in close consultation with the American authorities, and is co-operating with them in every possible manner to meet the present situation. This recommendation was decided upon by him as best for the present, although further orders along the same lines may be issued later if necessary.

The Canadian order will go further than the American in that all munition plants must close down for the three days. The Canadian order also goes further than the American in that during the month of February and March all golf, country, yacht, canoe or hunt clubs must be closed except on Wednesdays and Saturdays. On other days of the week the coal consumption is to be restricted to the quantity to prevent damage through freezing.

For the present, heatless Mondays are ordered only for theatres, moving picture houses, bowling alleys, billiard rooms, private and public dance halls, and any other places of amusement. They must remain closed every Monday, beginning February 19 and extending to March 25.

Exception is made where entertainments or special functions had been advertised before February 1.

Plants using electricity or wood for heating purposes may remain open. The order supplies only to coal.

Public Library Board

The organization meeting of the Public Library Board was held in the board room at 8 p. m. on Feb. 1st.

Members present, Mr. Irwin, Mr. Fitzgerald, Dr. Sawers, Mrs. Mitchell, Mr. Howden and Miss Reid, with Dr. Sawers in the chair.

The following officers were appointed for the year:—Chairman—Mr. Irwin; Sec.-Treas.—Miss Reid; Librarian—Mrs. Reid; Finance Committee—The Reeve, Mr. Howden and the Treasurer: Book Committee, Fiction—Mrs. Mitchell, Mr.

Howden, Dr. Sawers, Juvenile—The Librarian and the Secretary; All other classes—Mrs. Brown, Mr. Irwin and the Reeve.

The regular night of meeting will be the third Tuesday of the month at 8 o'clock.

It was decided to place "Current History" on the reading table.
MAY REID, Secretary.

THE STARTING POINT OF CONSUMPTION

Lies in Weak, Watery Blood—Dr. Williams' Pink Pills Make the Blood Rich, Red and Pure

Weak, watery blood is the starting point of consumption. When your blood is in this condition your whole health declines. Your face becomes pale or sallow, your appetite fails, your heart jumps and flutters at the least exertion or excitement. You are always weak and wretched and you lose interest in both work and amusement. This is the point from which you may easily step into that hopeless decline that leads to consumption and the grave. What is needed to bring back health, strength, energy is the new, rich red blood Dr. Williams' Pink Pills actually make. In all the world of medicine there is no other tonic and blood builder like them, and all who feel weak, run-down or easily tired should lose no time in giving these pills a fair trial. They have transformed thousands of weak, hopeless men, women, boys and girls into strong, robust people. In proof of these statements may be given the experience of Mrs. T. Brennan, Carlton, Ont., who says:—

"Not only myself, but my friends think that had it not been for Dr. Williams' Pink Pills I would have filled a consumptive's grave. My condition was most serious; my blood seemed literally to have turned to water; I was as pale as a sheet and became utterly unable to do any housework or go about. I doctored steadily for a long time but was growing weaker, and finally the doctor held out but little hope for my recovery. It was thought that a trip might help me and I was taken to New Ontario. Those who saw me on my way did not think I would reach my journey's end alive. After I reached my destination a friend strongly urged me to try Dr. Williams' Pink Pills, and as of course I was anxious to regain my health I did so. The pills were the first medicine I had taken which seemed to help me at all, and it was not long until I felt they were doing me good. I continued their use gladly, and began to feel hungry and soon after was able to move about the house. Next I was able to go out of doors and to help in the housework, and from that time on my progress was rapid, and in the end I was enjoying better health than I had ever done before. There are many people who can testify to the absolute truth of the statements, and I feel I would not be doing justice to your wonderful medicine if I did not make these facts known."

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$3.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Family Dr. says:
Have Medicines
in your home
all the time.

A THOROUGHLY EQUIPPED "MEDICINE CHEST" IS A SOURCE OF COMFORT IN EVERY HOME. A SCALD, A BURN, A CUT, A TOOTHACHE, EARACHE OR BACKACHE MAY "HAPPEN" ANYTIME; EVERYBODY BECOMES CONSTIPATED, OR HAS DIARRHEA, CATCHES COLD, "BREAKS OUT" OR HAS SOME ILL BEFALL HIM NEARLY EVERY DAY.

THEN HAVE ON HAND OUR "REXALL REMEDIES" WHICH YOU CAN USE UNTIL THE FAMILY DOCTOR COMES. HAVING THESE THINGS ON HAND MAY PREVENT SERIOUS RESULTS FROM BLOOD POISONING AND NOT ALLOW PNEUMONIA TO TAKE HOLD. HAVE REMEDIES IN THE HOUSEHOLD ON WHICH YOU CAN RELY.
