The above Periodicals are reprinted in New York immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are sent by the time, each volume being open at once. The Faculty selected the case as past cover, several pieces of bone had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in health.  
I shall ever remain

Sir—I beg to inform you that I believe I have been, for more than ten years, one of the greatest sufferers in the world with Chronic Asthma. For weeks together my breath was frequently so short, that I was almost every moment of being choked with phlegm. I never went into a bed, very often indeed, I have been obliged to pass the night without being able to recline sufficiently by my head on a table, but I should be sufficient to say that I should have lived over the winter had I not used your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in health.

ALL MAY BE CURED  
BY  
HOLLOWAY'S OINTMENT!  
FIFTY ULCERS CURED IN SIX WEEKS  
Extract of a letter from John Martin, Esq., "Chronicle" Office, Toledo, West Indies—  
February 4th, 1845.  
To Professor Holloway.  
Sir—I beg to inform you that the inhabitants of this Island especially those who cannot afford to employ medical gentlemen, are very anxious of having your ointment used upon them, and that I have derived from their use, as they have been used in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this Island, who had, I believe, about fifty running ulcers about his legs, arms, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good, but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigour.  
(Signed) JOHN MARTIN.  
PHLEBITIS AND HEARINGS-DOWN  
A remarkable Cure by the use of Pills and Ointment—A half pay Lieutenant, lately residing at St. Helier's, Jersey, whose name by request is sent, but for three years suffered from piles and fistula, besides a general heaving down, of the most distressing nature. He had to undergo an operation, but to no purpose, and at last gave him up as lost. He was then advised to try your Pills and Ointment, which, together with a regulated constitution, he was completely cured of all his infirmities and restored to the full enjoyment of health by three purely remedial medicines, when every other means had failed.  
EXTRAORDINARY CURE IN THE WEST INDIES, OF LEPROSY AND OTHER DREADFUL SKIN DISEASES.  
Mr. LEWIS R. EDON, of Georgetown, St. Vincent, writes under the above dated that Holloway's Pills and Ointment have cured him of leprosy, and of all the other diseases of the skin, which he had suffered from for many years, and which he had been advised to try your Pills and Ointment, which, together with a regulated constitution, he was completely cured of all his infirmities and restored to the full enjoyment of health by three purely remedial medicines, when every other means had failed.
