USURIOUS INTERNET. It is sinted that the hunder of a firm which failed recently in Boston, show the payment of \$250.09 as extra at a bargain # interest money within a short period. In 1837, several houses in this city paid more than one hundred thousand dollars each, in the builte of extra interest, and finally failed at last, paying their creditors but firty or sixty certs on the dollars ; whereas, had they stop-p of payment when they first became embag-rassed, their creditors would at least here. p of payment when they first became embag-rassed, their creditors would at least have received larger dividends, and perhaps been paid in full. The momenta mercanilk firm places itself in the hands of these Shylocks, its fate is sealed ; the longer it goes on the despering ets into difficulties, and its assets randily dwindle away, ind its creditors get rapidly dwindle away, and its creditors get the shells, and the note shavers get the ovster -N.
