| Constantinople | rapully decreasing—its material inter.

ests are diminishing—and its fiscal resources are becoming so meagre and stinted, that the Sultan is puzzled to secure the financial means of maintain ing the integrity of the Empire. Sultan is puzzled to secure the financial means of maintain ing the integrity of the Empire. Sultan is puzzled to secure the financial means of maintain ing the integrity of the Empire. Sultan is puzzled to secure the financial means of maintain ing the integrity of the Empire. Sultan is puzzled to secure the financial means of maintain ing the integrity of the Empire. Sultan is puzzled to secure the financial means of maintain ing the integrity of the Empire. Sultan is puzzled to secure the financial means of maintain in the music (sic) of a harsh-sound in an open field on Sunday last.

Dentity decreasing—its material inter. hood. For twenty years he was the sented with a number of ripe straw-been presented with a number of ripe straw-been unusually large, exceeding in the aggregate that of any preceding term. There have been students in attendance as follows:—

The angle minded specimen of knight.

STRAWBERRIES.—We have been presented with a number of ripe straw-been presented with a number of ripe straw-been presented with a number of ripe straw-been unusually large, exceeding in the aggregate that of any preceding term. There have been students in attendance as follows:—

The angle minded specimen of knight.

The angle minded specimen of knight.

STRAWBERRIES.—We have been presented with a number of ripe straw-been unusually large, exceeding in the aggregate that of any preceding term. The angle minded specimen of the college.—Decrease and the sent of a single Lord. He is engaged in pleasing the ear of a single Lord.

Decrease are decomined and popular contributor of the season. Ficked is engaged in pleasing the ear of ing the integrity of the Empire. Sultan and people alike are in a state of comparative pauperism. The Crescent of Ottoman domination is on the wane.

Bulwer furnished readers with works of fiction, that won, and properly, have opened an office in this town at the place formerly occupied by att, too, threw off volume after volume, J. G. H. Parker, Esq.

DENTISTRY.—Primrose Bros., Dentists, have opened an office in this town at the place formerly occupied by att, too, threw off volume after volume, J. G. H. Parker, Esq.

to speak specially of the Empire itself, but of its capital.

In our present remarks it is not our intention to say much of the history of Constantinople — or of the various phases that characterized it from the days of Constantine until 1453, when the Byzantine Empire fell, and the Turks were in the ascendant on the banks of the Hellespont. Nor are we about to remark at large upon this impaired.

Although these men of adabout to remark at large upon this imperial Turkish capital, with its teeming population—its stately structures, and its glittering domes and minarets which render conspicators. It is a year.

In a year.

FAREWELL SERMON.—The Rev. Caleb Parker will preach his farewell sermon to the congregation of Providence modern literature, their works effected no social or moral reforms, or tended to lighten the burdens of hymanital which render conspicators.

Base III a year.

FAREWELL SERMON.—The Rev. Caleb Parker will preach his farewell sermon to the congregation of Providence many warm friends behind him, and to lighten the burdens of hymanital all who have listened to his election.

Base III a year.

FAREWELL SERMON.—The Rev. Caleb Parker will preach his farewell sermon to the congregation of Providence many warm friends behind him, and to lighten the burdens of hymanital all who have listened to his election. which render conspicuous its lofty mosques and towers. Within it have been every conceivable species of wicked abominations. Its seraglices and harems for centuries have been commiseration for those who had all who have listened to his eloquent sermons will regret his departure.

Smash Up.—Two teams came in collision with each other near the aboitecular of the suffering poor, or commiseration for those who had divided the suffering poor of the suffering poor sensuality.

The downfall and dismemberment of the Ottoman Emgire, it is generally believed, are inevitable. Its utter overthrow, ere long, is regarded as a certainty: its doom cannot be averted.—But its capital cannot, like Babylon or Ninevah, become a scene of long or Ninevah, become a scene of vice from its targible the long of the long the Ottoman Emgire, it is generally utter ruin and desolation. There is vice from its terrible thraldom, seemed insurance. may yet become a mere heap of con summated dilapedations, to be visited in distant centuries by fossil-seeking

avoid speculating upon the probable, wretchedness and sufferings of degrad-Geographically considered, the Golden Horn—the site on which it stands—is one of the most interesting spots in the eastern hemisphere. All the rivers (flowing through vast fertile regions) which empty their waters into the Black Sea, are highways, so to speak.

Ment and in other places. He was dence in Yarmouth. It was composed of oakum, tar, rope yarn, and gunder—a piece of fuse was connected with the powder.
