STRANGE STORIES.

By GRANT ALLEN.

WITH A FRONTISPIECE BY GEORGE DU MAURIER.

'Perhaps the best fiction of the year is "Strange Stories." Mr. Grant Allen certainly took his friends by surprise when he burst forth as the author of the stories which had appeared in the *Cornhill*, *Belgravia*, and *Longman's*, under the signature of J. Arbuthnot Wilson. He was known to us all as one of the most able of the rising men of the evolution school, his contributions to modern science being of considerable value. Few suspected him of such levity as telling light stories. The tales, which have been bound together, are now circulating in a book form, and the volume is distinctly good. "Strange Stories" will sell well.'—COUNTY GENTLEMAN.

'Almost all the stories are good, coming nearer to the weird power of Poe than any that we remember to have seen.'—PALL MALL GAZETTE.

'Mr. Grant Allen has fully established his claim to be heard henceforth as a story-teller.'—THE ACADEMY.

'No one will be able to say that the stories are dull. The lighter stories can be read with pleasure by everybody, and the book can be dipped into anywhere without disappointment. One and all the stories are told with a delightful ease and with an abundance of lively humour.'—ATHENEUM.

'The public will like "Strange Stories," because they are not commonplace, because they deal freshly as well as neatly with unusual subjects. They give a decided fillip to the jaded literary appetite.'—DERBY MERCURY.

'The stories are exceedingly interesting, and several of them have a humorous tendency. Although in the preface Mr. Allen professes that he is a "scientific journeyman" rather than a writer of fiction, he has given us what many successful novelists have failed to do—a very readable volume of short stories.'

'Possesses no little cleverness; bright and entertaining.'

LITERARY WORLD.

MANCHESTER EXAMINER.

'"Strange Stories" are partly scientific and partly fanciful and humorous. They deal, for the most part, with queer and curious points of psychology, are well written, and are easy reading.'—SATURDAY REVIEW.

'Altogether the book is clever. To the stories in the light style, and in the ironical, extravagant, and mock-heroic vein, only praise can be given.'

BRITISH QUARTERLY REVIEW.

'Mr. Grant Allen's stories are capital reading.'—TIMES.

'Truly delightful.'—WARRINGTON GUARDIAN.
