WORK FOR YOU WINTER AND SUMMER.

Read Carefully and Become a Shareholder.

This Syndicate has been formed for the purpose of manufacturing knitted goods cheaper than any existing company, to keep down prices, and to oppose the large knitting combines and companies which have joined hands to raise prices. To do this successfully it will be necessary to get yarn at the first cost and to manufacture the goods with the least possible expense. Therefore—

1. The Syndicate will manufacture its own yarn and machines for which it has a mill and every facility.
2. The Syndicate will have all goods made by shareholders knitting at their own homes.

3. The Syndicate will pay for all properly made goods at once upon receipt of same, and besides paying for the work when sent in will semi-annually divide with its working shareholders the net profits from the sale of all goods made by its shareholders.
4. The Syndicate will sell all goods made by its working shareholders.
5. To each subscriber of twenty \$1.00 shares the Syndicate gives free a twenty dollar Knitting Machine to keep, and also supplies each working shareholder, free of charge, full directions, samples and yarn to make the goods.

To become a shareholder, a worker, the owner of one of the machines, to be paid for the work you do, and also to participate in the equal division of the net profits, you have only to become a member of the Syndicate and take twenty \$1.00 shares which will cost you twenty dollars.

THE BUSINESS OF THE SYNDICATE is to manufacture its own yarn and knitting machines and supply these machines and yarns to its shareholders FREE. By this plan it can readily be seen that the Syndicate will not only benefit its shareholders by way of dividends, but it will be the source of a regular employment and income at their homes. The Syndicate is fully prepared to keep its shareholders supplied with yarns for doing the various kinds of work required, and it is also in a position to dispose of all goods knitted from these yarns through large jobbers and to the general trade as fast as it is sent in by its shareholders.

We have a factory for the purpose of manufacturing machines and yarn only, all knitted goods being made by our shareholders at their own homes, no knitting being done on the premises. It will be seen that to manufacture goods on so large a scale it would be necessary to have a number of knitting factories, which would mean the investment of thousands of dollars, besides taxes, insurance and interest on same. We can, therefore, not only manufacture goods cheaper and in larger quantities, but down the Combines and pay our shareholders a handsome dividend semi-annually.

THE MACHINE the Syndicate furnishes is a high speed family seamless knitting machine, and will last a lifetime with ordinary usage. In fact the Syndicate will guarantee the machine for twenty years. It will knit from the finest imported yarns to the coarsest of Canadian wool yarn the same as hand work, but eighty times faster. With each machine a full outfit is sent, together with a supply of yarn to commence at once. The guide accompanying machine is so plain and the operation so simple that any one of ordinary intelligence can make any of the knitted goods required by the syndicate such as Gents' Socks, Ladies' Stockings, Golf and Bicycle Hose, Knickers, Leggings and Ties for Children.

THE PRICES the Syndicate pays for knitting these goods are—Socks, \$5.00 per 100 pairs; Ladies' Stockings, \$10.00 per 100 pairs; Gents' Golf and Bicycle Hose complete, \$10.00 per 100 pairs; Leggings and Footless Bicycle Hose, \$5.00 per 100 pairs; Fine Ties, \$5.00 per 100. All these goods are quickly made on the machine and at these prices any person willing to work can make good pay, much more than clerking in store, working in shop or laboring on farm. Shareholders can devote all or part of their time knitting, but at all times they are expected to work for the interests of the Syndicate.

WHO CAN JOIN. All persons willing to accept and honestly knit the yarn entrusted to them, and to return made goods promptly to the Syndicate.

WHAT YOU MUST DO TO JOIN. Each person desiring to become a shareholder of stock, participating in the semi-annual dividends, and to do knitting for the Syndicate, receiving pay as fast as work is sent in,—must cut out the following APPLICATION FORM, sign their name to it, fill in address and reference, and enclose it with Express or Post Office Money Order for \$20.00 to the Syndicate's Secretary, Stuart S. Arnoldi, 34 Wellington Street, Toronto, Ontario, to whom all money orders are to be made payable.
