Popularity at home is not always the best test of merit, but we point proudly to the fact that no other medicine has wen for itself such universal approbation in its own city, state, and country, and among all people, as

Ayer's Sarsaparilla.

The following letter from one of our best-known Massachusetts Druggists should be of interest to every aufferer:—

Interest to every sufferor:—

RHEUMATISM. "Eight years ago I had an attack of Rhoumatism, so sover that I could not move from the bed, or dress, without help. I tried several remodies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. Have sold large quantities of your SARSAPARILLA, and its still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public.
