IT LEADS ALL.

No other blood-purifying medicine is made, or has ever been prepared, which so completely meets the wants of physicians and the general public as

Ayer's Sarsaparilla.

It leads the list as a truly scientific preparation for all blood diseases. If there is a lurking taint of Scrofula about you, **AYER'S SARSAPARILLA** will dislodge it and expel it from your system.

For constitutional or scrofulous Catarrh, **AYER'S SARSAPARILLA** is the true remedy. It has cured numberless cases. It will stop the nauseous catarrhal discharges, and remove the sickening odor of the breath, which are indications of scrofulous origin.

"Hutto, Tex., Sept. 28, 1882.

ULCEROUS SORES

"At the age of two years one of my children was terribly afflicted with ulcerous running sores on its face and neck. At the same time its eyes were swollen, much inflamed, and very sore.

Physicians told us that a powerful alternative medicine must be employed. They united in recommending **AYER'S SARSAPARILLA**. A few doses produced a perceptible improvement, which, by an adherence to your directions, was continued to a complete and permanent cure. No evidence has since appeared of the existence of any scrofulous tendencies; and no treatment of any disorder was ever attended by more prompt or effectual results.

Yours truly, **B. F. JOHNSON.**

Always ask for **ROBINSON'S PHOSPHORIZED EMULSION**, and be sure you get it.

Scientific and Useful.

APPLE ROLL.—Make a crust as for yeast powder biscuit, roll out the size of a large plate nearly half an inch thick, cover with apples, sliced, roll up carefully, lay on a plate and steam one hour; serve with hot or cold sauce. Berries may be used instead of apples.

A BREAKFAST DISH.—Chop fine eight or ten cold potatoes, heat a frying-pan hot, put in a tablespoonful of butter; add the potatoes, salt a little, stirring frequently; when well heated through, turn in flour, eggs well beaten, and stir quickly, serve on a hot platter.

WELL TO REMEMBER.—A stitch in time saves nine. Serious results oft follow a neglect of constipated bowels and bad blood. Burdock Blood Bitters regulate and purify the stomach, bowels, liver, kidneys and the blood. Take it in time.

FLAVOUR FOR SOUP.—An agreeable flavour is sometimes imparted to soup by sticking some cloves into the meat-used for making stocks; a few slices of onions fried very brown in butter are nice; also flour-browned by simply putting it into a saucerpan over the fire and stirring it constantly until it is dark brown.

RICE CHICKEN PIE.—Cover the bottom of a pudding-dish with slices of cooked ham; cut up a boiled chicken, and nearly fill the dish; add chopped onions, if you like, or a little curry powder, which is better. Then add boiled rice to fill all interstices, and to cover the top thick. Bake it for one half or three-quarters of an hour.

LEMON PIE.—Four egg yolks, two cupfuls of sugar, one cupful of cold water; one tablespoonful of flour beaten in a little water. Grate the rind and press the juice of one lemon. This will make three pies. Icing for the above: Take the whites of the above four eggs, beaten to a stiff froth, and one cupful of powdered sugar.

The great permanency of Murray and Lanman's Florida Water gives it a wonderful advantage over nearly all other perfumes; days and weeks after its application the handkerchief or garment exhales a soft, rich fragrance, agreeable, refreshing and healthful.

A PRUNE PIE.—Delicious filling is made by stewing some prunes until they are very soft; remove the stones, sweeten to your taste, and add, for one pie, the well beaten whites of two eggs; beat with the prunes until thoroughly mixed. Bake with two crusts, or if you can get it, use whipped cream in place of the upper crust.

FRICATELLI. Chop raw, fresh pork very fine, add a little salt, plenty of pepper, and two small onions chopped fine, half as much bread as there is meat, soaked until soft, two eggs; mix well together, make into oblong patties, and fry like oysters. These are nice for breakfast or for supper, and should be served with sliced lemon, or some kind of dainty pickles.

TRIPE A LA BORDELAISE.—Take two pounds of tripe and lay it in salt and water over night; cut in stripes about the size of your finger; put into a stew-pan one tablespoonful of butter or clarified drippings, with half a tablespoonful of chopped parsley and half a chopped onion. When your butter is very hot, put in the tripe and cook until brown, and salt and pepper to taste. Tripe is often found digestible and palatable by delicate stomachs when nothing else can be eaten.

COUGHS AND COLDS.—If taken in time are easily cured—if allowed to continue will result in incurable consumption. Allen's Lung Balsam has the confidence and support of the medical faculty, and is recommended by all who are acquainted with its virtues.

A SIMPLE OMELET.—Take the crumb of a slice of bread, soak it in hot milk (cold will do, but hot is better), beat up whites of four eggs to a high froth; mix the bread with all the milk it will absorb, no more, into a paste, add the yolks of the eggs with a little salt, set the pan on the fire with an ounce of butter. Let it get very hot, then mix the whites of the eggs with the yolks and bread, lightly, pour in the pan, and move about for a minute; if the oven is hot, when the omelet is brown underneath, set the pan in the oven for five minutes, or until the top is set; then double ha' over and serve. The advantage of this omelet is that it keeps plump and tender till cold, so that five minutes of waiting does not turn it into leather, the great objection to omelets, generally.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES
Especially Valuable for Children.

Dr. J. R. FRANKLIN, M.D., says: "I have used Scott's Emulsion for 25 years, and regard it as a valuable medicine for the diseases of adults, for infants teething, and broken down systems in children."

Thousands Hastened to their Graves.

By relying on testimonials written in vivid glowing language of some miraculous cures made by some largely puffing up doctor or patent medicine has hastened thousands to their graves; the readers having almost insane faith that the same miracle will be performed on them, that these testimonials mention, while the so called medicine is all the time hastening them to their graves. Although we have

Thousands upon Thousands!!!

of testimonials of the most wonderful cures, voluntarily sent us, we do not publish them, as they do not make the cures. It is our medicine, Hop Bitters, that make the cures. It has never failed and never can. We will give reference to any one for any disease similar to their own if desired, or will refer to any neighbour, as there is not a neighbourhood in the known world but can show its cures by Hop Bitters.

A Losing Joke.

"A prominent physician of Pittsburg said to a lady patient who was complaining of her continued ill-health, and of his inability to cure her, jokingly said: "Try Hop Bitters." The lady took it in earnest, and used the Bitters, from which she obtained permanent health. She now laughed at the doctor for his joke, but he is not so well pleased with it, as it cost him a good patient.

Fees of Doctors.

The fee of doctors at \$3 00 a visit would tax a man for a year, and in need of a daily visit, over \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness.

Given up by the Doctors.

"Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remedy?"

"I assure you it is true that he is entirely cured, and with nothing but Hop Bitters, and only ten days ago his doctors gave him up and said he must die, from Kidney and Liver trouble!"

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.

- Chills and fever? Burning patches of skin? Then

YOU HAVE

BRIGHT'S DISEASE OF THE KIDNEYS.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution. The kidney-poisoned blood breaks down the nervous system, and finally pneumonia, diarrhoea, bloodlessness, heart disease, apoplexy, paralysis, or convulsions ensue and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and claims more victims than any other complaint.

It must be treated in time or it will gain the mastery. Don't neglect it! **Warner's SAFE Cure** has cured thousands of cases of the worst type, and it will cure you if you will use it promptly and as directed. It is the specific for the universal

BRIGHT'S DISEASE.
