Scientific and Useful.

BOILED ICING.—Three cups white sugar, granulated, one cup of water, boil to a clear syrup, beat the whites of four eggs to a stiff froth, pour in while hot, stir frequently while cooling. The cake should be cold before icing.

THE MOST EXQUISITE handkerchief perfume—"Lotus of the Nile."

GINGER SNAPS.—One pint molasses and one cup lard heated together and poured hot in one quart flour, two teaspoonfuls soda and two ginger. Let this dough cool, then add flour enough to roll. Roll thin and bake quick. They are very snappy, and this is a recipe that has been often tried and never found wanting.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if desired. Send 6c in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

CODFISH WITH EGGS.—Put one cup of picked fish into one quart of cold water, heat slowly, when hot (not boiling) pour off water, remove fish to another dish, put into a skillet one pint of nice rich milk, thicken with one tablespoonful of flour, add fish, piece of butter the size of a walnut, when gravy again boils add one or two eggs, stir briskly and serve at once.

Consumption Surely Cured.

TO THE EDITOR.
 Please inform your readers that I have a positive cure for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, **Dr. T. A. SLOCUM,** Branch Office, 37 Yonge Street, Toronto.

SWEET PICKLES.—To seven pounds of fruit take three pounds of sugar and one quart of vinegar; boil them together and pour over the fruit three mornings successively, and then boil the juice down to a thick syrup in which put one ounce each of cinnamon in sticks, spice, mace and cloves. Add another quart of fresh vinegar, and boil the fruit in it ten minutes.

A GOOD ACT.—"As a cure for all summer complaints I highly recommend Dr. Fowler's Extract of Wild Strawberry, having often used it with the best results. I have often been thanked for recommending it." **William Haw,** Ancaster, Ont.

GEMS.—One cup and a half of corn meal, the same of flour, the same of sweet milk, two well beaten eggs, a piece of butter the size of an egg, and melt it, a little salt, add two teaspoonfuls of baking powder with a little of the flour, butter the gem pans well, fill two-thirds full, bake in a quick oven about thirty minutes, serve hot. They are very nice.

BAKED EGGS.—Break six or seven eggs into a buttered dish, taking care that each is whole and does not encroach upon the others as much as to mix or disturb the yolk; sprinkle with pepper and salt, and put a bit of butter on each. Put into the oven and bake until the whites are set. This is far superior to fried eggs, and very nice for breakfast served on toast or alone.

JAMES PYLE'S PEARLINE is not a soap, but a Washing Compound—a great invention for saving toil and expense without injury to the texture, colour or hands. Pearline is the champion of all compounds of washing in hard or soft, hot or cold water, and without soap, soda or other preparations. In the families of miners, machinists, plumbers, painters, printers, farmers and labourers, Pearline is a blessing. It is equally efficacious in washing dishes, clothes or begrimed hands.

SWEET PICKLE APPLES.—Take one tea cup vinegar and two of sugar, and make a syrup of them, adding cinnamon and cloves. Pare and core sweet apples, drop them in the syrup and let them cook until tender not soft. Put in a jar and pour the syrup over them. They are ready to eat as soon as cold, and will keep any length of time. I generally tie the spices in a little bag, especially if ground, and cook it that way. Try these "sisters," they are delicious.

For Delicate, Sickly Children
Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N. S., says: "I have been acquainted with Scott's Emulsion of Cod Liver Oil, with hypophosphites, for years, and consider it one of the finest preparations now before the public. Its pleasant flavour makes it the favourite for children, and I do highly recommend it for all wasting diseases of children and adults." Put up in soc. and \$1 size.
