"THE MAGNETICON."
The Celebrated English Magnetic Appliances
FOR THE CURE OF DISEASE.

These appliances are at once a direct assistance and safeguard, as they not only possess strong curative properties, but are also a most valuable preventive; by their invigorating and vitalizing influence constantly averting much of the liability to disease or suffering, and daily adding to the strength and vigor of the constitution. Thus, the various appliances may be used with immediate and permanent benefit by the strongest man, or the most delicate invalid or child. They comprise

THROAT & LUNG INVIGORATORS. For all diseases and weaknesses of the Throat and Lungs, and affections of the Chest generally.

LADIES' AND GENTS' BELTS. For any general weakness of the Constitution; Indigestion and all other difficulties of the Stomach, Liver, Kidneys, etc., Lumbago or Weak Back, Internal weakness of any kind, Constipation, Physical or Nervous Exhaustion, etc., etc.

The Ladies' Support and Accouchment Belts are of incalculable benefit, averting the Nervous prostration from which thousands of ladies suffer so intensely. The use of these Belts is more particularly referred to by correspondence or consultation.

SPINE BANDS. For Spinal Weakness or Injury, Neuralgia, and all Nervous affections, Sleeplessness, Paralysis, Headache, etc.

KNEE CAPS, ANKLETS, WRISTLETS, SOLES, AND VARIOUS OTHER APPLIANCES. For Rheumatism of any kind, in any part of the body or limbs, Cramps, Numbness, or Nervous Sensations in the Hands, Wrists, etc., Weakness of any of the Joints, either from Injury or from Constitutional causes; Defective Circulation, causing Coldness of Hands and Feet, Chills, etc., and for any part of the body where there is any functional or Nervous derangement, or want of vigorous healthy action.

They are simple and convenient; cannot get out of order; do not interfere with any business occupation; may be laid aside at any time; require no preparation or connection with acids; are not worn in contact with the skin, and thus cause no irritation or unpleasantness; and being arranged on the latest scientific principles, they combine many points of excellence which are not possessed by ANY OTHER Electric Appliances, a fact at once demonstrated by comparison.

Price from \$1.00 to \$10.00. Consultations Free.

Sterling Silver Spoons AND FORKS.

Silverware was formerly a luxury of the few, now it is enjoyed by the many. The immense increase in the production of Silver from the mines of the world, has so cheapened the price that it is used more extensively than ever before. The great improvements also made in the modes of working silver have brought it within the reach of persons of moderate means for table use. Solid Silver is one of the articles that can be successfully worked in Canada, as the cost of the material is considerable as compared with the labour, and the duty is saved on both. The Spoons and Forks now produced under our trade marks, for QUALITY and FINISH, are almost equal to anything made, the public can, therefore, purchase them with safety, and at the same time encourage national industry. The variety consists of TEA SPOONS, DESSERT SPOONS and FORKS, TABLE SPOONS & FORKS, BUTTER KNIVES, PICKLE FORKS, CHILDREN'S SETS, CHILD'S CUPS, PRIZE CUPS, and

PRESENTATION PLATE of all sorts. The fineness in all instances guaranteed. All articles stamped R. W. & Co. Sterling, or Canada Manufacturing Company Sterling Silver. To be had of all dealers.
