**THIRTY-NINTH SESSION, 1907 - 1908**

The Thirty-Ninth Session will open on Tuesday, September 3rd, 1907, and continue for the eight months following.

The College building is admirably suited for the purpose of medical teaching, and is in close proximity to the Victoria General Hospital, the City Alms House and Dalhousie College.

The recent enlargement and improvements at the Victoria General Hospital have increased the clinical facilities, which are now unsurpassed. Every student has ample opportunities for practical work.

The course has been carefully graded, so that the student's time is not wasted.

# McGowan Loose Leaf System

## FOR PHYSICIANS

is designed to simplify the book and record keeping of doctors. It is such a time saver that every doctor needs it, and the busier the doctor the more he needs it. Not only does it save time, but it saves worry, promotes accuracy and is very convenient. Every doctor should know all about it, and we would like to have inquiries from all who are interested.
