A NEW DRY GOODS FIRM.

On the 20th of March next, the new Dry Goods Firm of BROWN, CLAGGETT & MCCARVILLE will open the large store 463 Notre Dame Street. The members of this firm have for many years been connected with the Dry Goods business, and thoroughly understand all its details. Their numerous friends in this city will, we have no doubt, be glad to hear of their commencing business under such favourable circumstances. The fact of their being related to some of the leading Silk Velvet and Poplin Manufacturers of the United Kingdom, will enable the new firm to hold out inducements such as are seldom offered to the public. They intend making a speciality of Silks, Velvets, Irish Poplins, Mantles and Shawls, but they will also keep a large assortment of first class Dry Goods. We take this opportunity of wishing the new firm success.—*Montreal Daily News, Jan. 20th.*

APPEAL.

APPEAL.—The United Board of Out-door Relief would earnestly appeal to the friends of the poor and destitute for further assistance. At the present rate of giving, the firewood on hand will be exhausted in less than three weeks. The winter is not half over—the demands upon us increase from week to week—the cases of severe distress have been more numerous than on any former winter, and there is only about \$50 left in the treasury with which to meet all this want and suffering. The Board trust that those who are able to give will consider this appeal, and contribute liberally to help the poor and needy through the winter. Contributions can be sent to Mr. BROWN, the Secretary-Treasurer of the Protestant House of Industry and Refuge; or, to any member of the Board.
