

DR. M'LANE'S CELEBRATED LIVER PILLS, FOR THE CURE OF Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver. PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER. DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont. DIRECTED BY THE CHRISTIAN BROTHERS

This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-ventilated playgrounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

FITS! FITS! FITS!

CURE OF EPILEPSY, OR FALLING FITS, BY HANCO'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will find Hanco's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy, Falling Fits, &c. The following certificates should be read by all the afflicted; they are in every respect true, and should be read by any one who is not satisfied that he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE. PHILADELPHIA, June 28th, 1857. Dear Sir: Having your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1853. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, and he seemed to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; he was surprised and said several times, "I was generally attacked without any promontory symptoms. I had from two to five fits a day, at intervals of five weeks. I was very bad and not able to do any work. I fell wherever I would be, or whenever I occupied with, and was severely injured several times from the falls. I was affected as much as I could be by any medicine, and also was affected in my business, and I considered that your Epileptic Pills cured me. In February, 1854, I was induced to use your Epileptic Pills, and I was cured of my disease. The last one was April 18th, 1855, and I feel a new character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that your Pills and their good effects should be made known everywhere; that persons who are similarly afflicted may have the benefit of them. Any person wishing further information can obtain it by calling at my residence, No. 830 North Third St., Philadelphia, Pa. W. L. HANCO.

IS THERE A CURE FOR EPILEPSY? The subject will answer. GRENADA, Miss., June 30.—Dear Sir:—Dear Sir: I was afflicted with Epilepsy for thirteen years; I had those attacks at intervals of two to four weeks, and sometimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by my resident physicians, but without success. In August, 1854, I received a box of your Pills, and I commenced taking them according to directions. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. I was now a stout, healthy man, able to do my work, and I had had a chance of hearing from their effect have they failed to cure. Yours, etc. C. H. GUY, Grenada, Tobago County, Miss.

ANOTHER REMARKABLE CURE OF EPILEPSY, OR FALLING FITS, BY HANCO'S EPILEPTIC PILLS. MONTGOMERY, TEXAS, June 23rd, 1857. To DEAR SIR:—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had those attacks at intervals of two to four weeks, and sometimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by my resident physicians, but without success. In August, 1854, I received a box of your Pills, and I commenced taking them according to directions. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. I was now a stout, healthy man, able to do my work, and I had had a chance of hearing from their effect have they failed to cure. Yours, etc. C. H. GUY, Grenada, Tobago County, Miss.

Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pimples, Pustules, Boils, Blotches, Tumors, Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhoea, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure.

Its ingredients are so skillfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruption which develop into loathsome diseases.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated; and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public, that the best qualities it has ever possessed are strictly maintained.
