

CATHOLIC NEWS.

The Catholic Club of Louisville, will erect a club house to cost \$20,000.

Ten years ago there was only a few hundred Catholics in Norway. They now number more than 100,000.

The Catholic students of Harvard University have followed the example of Yale by organizing a distinctly Catholic club. President Eliot has cordially approved the project.

As to the Rev. Dr. McGlynn, Father Ducey said: "Yes, Dr. McGlynn is on his way to Rome now. He is not in Chicago." Father Ducey said further that Dr. McGlynn had left quietly on account of his fear of misrepresentation at the hands of his enemies.

Col. John A. Creighton, of Omaha, ten times a millionaire, has a semi-national reputation as a philanthropist. He has given \$3,000,000 at various times to the city of Omaha to be devoted to charitable purposes. One of his gifts was a hospital. Col. Creighton is a Catholic.

The miraculous liquefaction of the blood of St. Janarius took place in Naples on the 10th ult., before an enormous assemblage; after prayers for fifteen minutes had been offered up. His Eminence, the Cardinal Archbishop of Naples, and numbers of his clergy were present at the miracle.

The blackbaling of Lotta Crabtree by Sorois is curious though the fact that the actress thus impeached is one of the stage's exemplary women. Not a breath of slander has ever touched her reputation. The characters and plays in which she has acted has been clean, and in private life she is devoted Catholic, a doer of charitable deeds and a lady of modest demeanor.

The book which caused a flurry in the Pittsfield (Mass.) High School is now disturbing the serenity of the schools in New Britain, Conn. The school board held a special meeting to consider a petition presented by Father McGuirk, in behalf of the Catholic clergymen of city, requesting that the board reject Meyer's history as a text book in the schools on the ground that it contains many inaccuracies that do an injustice to the Catholic religion. The history which is known as Meyer's Modern and Medieval History is denounced as inaccurate, prejudicated, and deliberately false and dishonest.

AROUND THE WORLD.

The Pope has fixed July 12th as the date of the Consistory when fifteen Cardinals will be named.

The police of Metz this week dispersed a political meeting at which an attempt was made to declare in favor of the severance of Alsace-Lorraine from Germany.

Mrs. Sullivan, wife of lawyer Alex. Sullivan of Chicago, is the foremost female journalist in the country. She receives \$5,200 a year from the Chicago Herald.

People are said to be dying by thousands from cholera in the valley of the Tigris, and fugitives from the afflicted towns are spreading the epidemic through Turkey.

Miss Katharine Tynan, the Irish novelist and poet, was married in London on May 8 to Mr. H. A. Hinkson, of Ealing, but late of Dublin and Trinity College. Mr. and Mrs. Hinkson will reside in London.

The Massachusetts House of Representatives has passed a bill providing against discrimination by barbers on account of race and color. Heretofore white barbers have refused to shave colored men.

San Francisco Chinamen have boycotted Mrs. Geary, wife of the author of the Chinese deportation law. As the Chinese are the "hired girls" of the Pacific coast, the situation is said to be embarrassing and unpleasant.

"Patriotism" of a peculiar kind was shown in several cities on Decoration Day. In Trenton, Golden Eagle and Malta "Knights" refused to parade with Catholic clubs, and in Pittston the "Patriotic" Sons of America declined to march because Catholic organizations were in line. And this is the evening of the nineteenth century.

A suggestion having been made that Spain should cede the Canary Islands to Great Britain in exchange for Gibraltar, the Spanish newspapers concur in disapproving the proposition. The Madrid Epoca expresses the belief that Great Britain will ultimately cede Gibraltar to

Spain if indemnified for the cost of fortifications which Great Britain has constructed there.

Binks: A good deal depends on your luck in whist. Waggles: Yes; but your luck also depends on a good deal.

"Shorter" Pastry and "Shorter" Bills.

We are talking about a "shortening" which will not cause indigestion. Those who "know a thing or two" about Cooking (Marion Harland among a host of others) are using

COTTOLENE

Instead of lard. None but the purest, healthiest and cleanest ingredients go to make up Cottolene. Lard isn't healthy, and is not always clean. Those who use Cottolene will be healthier and wealthier than those who use lard—Healthier because they will get "shorter" bread; wealthier because they will get "shorter" grocery bills—for Cottolene costs no more than lard and goes twice as far—so is but half as expensive.

Dyspeptics delight in it!
Physicians endorse it!
Chefs praise it!
Cooks extol it!
Housewives welcome it!
All live Grocers sell it!
