WHAT IS

ROBSON'S HAIR RESTORER

It is a most valuable preparation, restoring to gray hair its na-
tural color, making it soft and glossy and giving it an incompa-
rable lustre. ROBSON'S HAIR RESTORER is far superior to
ordinary hair dyes, for it does not stain the skin and is most
easily applied. One of its most remarkable qualities is the pro-
perty it possesses of preventing the falling out of the hair, promo-
ting its growth and preserving its vitality. — Numerous and very
flattering testimonials from well known PHYSICIANS and other
citizens of good standing testify to the marvelous efficacy of
ROBSON'S HAIR RESTORER. Lack of space allows us to re-
produce only the two following:

Testimony of Dr. D. Marsolais,
Lavaltrie.

I have used several bottles of Robson's Hair
Restorer, and I cannot do otherwise than high-
ly praise the merits of this excellent preparation.
Owing to its use, the hair preserves its original
color and in addition acquires an incomparable
pliancy and lustre. What pleases me most in
this Restorer is a smooth, oleaginous substance,
eminently calculated to impart nourishment to
the hair, preserve its vigor, and stimulate its
growth, a substance which replaces the water
used by the manufacturers of the greater part of
the Restorers of the day from an economical
point of view. This is a proof that the
manufacturer of Robson's Restorer is above all
anxious to produce an article of real value, re-
gardless of the expense necessary to attain this
end. It is with pleasure that I recommend
Robson's Restorer in preference to all other pre-
parations of that nature.

D. MARSOLAIS, M. D.

Lavaltrie, December 26th, 1895.

Testimony of Dr. G. Desrosiers,
St. Félix de Valois.

I know several persons who have for some
years used Robson's Hair Restorer and are
very well satisfied with this preparation, which
preserves the original color of the hair, as it was
in youth, makes it surpassingly soft and glossy,
and stimulates at the same time its growth.
Knowing the principle ingredients of Robson's
Restorer, I understand perfectly why this pre-
paration is so superior to other similar pre-
parations. In fact the substance to which I allude
is known to exercise in a high degree an emol-
lient and softening influence on the hair. It is
also highly nutritive for the hair, adapted to
promote its growth, and to greatly prolong its
vitality. I therefore confidently recommend the
use of Robson's Hair Restorer to those persons
whose hair is prematurely gray and who wish
to remove this sign of approaching old age.
