The system of discipline is mild, but firm and uniform; while every encouragement and every laudable incentive is employed, to forward the pupils in knowledge and virtue.

REMARKS ON THIS PROSPECTUS.

J. M.

The object of this new Academy is to benefit families who are desirous that their children should receive a complete course of instruction in the English language. The Sisters of the Holy Names of Jesus and Mary, anxious to promote the welfare of education in this respect, will secure their pupils every facility of making proficiency in this tongue. They will devote to this purpose a part of the edifice which has recently been erected on a magnificent site—au courent St. Marie—and which is due to the munificence of Mr. Simon Valois. A Chapel is attached to the building that will soon be opened for public worship, and whose architectural beauty will afford connoisseurs an accurate idea of Saint Mary Major, justly ranked among the most beautiful churches of Rome.

The Sisters of the Holy Names of Jesus and Mary hope that their enterprise will be cordially greeted by an enlightened and benevolent Public, and that success will crown their endeavors, if they continue to enjoy the same patronage which has been so liberally tendered to them at Longueuil, where the Mother House is established, as well as in the different parishes and missions where they have been entrusted with the education. They avail themselves of this opportunity to return their sincere thanks to the friends of education, who have so liberally patronized their community; and they now purpose to labor with renewed energy in behalf of the noble cause which Divine Providence calls upon them to advocate.

SEE WHAT AYER'S SARSAPARILLA DOES FOR DERANGEMENT OF THE LIVER.

STOTT'S CROSSING, Talladega Co., Ala., 9th August, 1859.

Dr. J. C. AYER, Lowell, Mass.—

Sir: I take this pen to tell you what your SARSAPARILLA and CATHARTIC PILLS have done for me. I had been afflicted with Liver Complaint for six years, during which I was never well, and much of the time very sick. My liver was sore to the touch, and the Doctors said was congested. I suffered from severe costiveness and Diarrhoea alternately. My skin was clammy and unhealthy; my eyes and skin often yellow. Occasionally I had a voracious appetite, but generally none at all. A dreadful sensation of oppression on my stomach, with languor and a gloomy sensation of sickness all over, kept me in anguish. You cannot know how much I suffered from an indescribable feeling of distress. The long continuance of this condition, without relief had worn me out so that I never expected to be better; but reading in the Christian Advocate, of your SARSAPARILLA, I commenced taking it with occasional small doses of your PILLS, to regulate the bowels as you direct. From the first it had more effect upon my disorder than I supposed anything could have. I regained my health rapidly, and now after eleven weeks, enjoy as good health and strength as any other man. May the "Dispenser of all good" shower blessings on you.
JOHN W. STOTT.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD,

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Bores, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Hairs, and all Skin Diseases.

OSKLAND, Ind., 6th June, 1859.
J. C. AYER & Co. Gentles: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and tedious beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a meal, and used almost three bottles. Now my healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what you say when I tell you that I hold you to be one of the greatest of the age, and remain ever gratefully,
Yours,
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Peck writes from Salem, N. Y., 12th Sept. 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous attack of Malignant Erysipelas by large doses of the same, says he cures the common Eruptions by its constant use.

Bronchocoe, Gout, or Swelled Neck.

Zachary Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me of a Gout—a hideous swelling on the neck, which I had suffered from over two years."

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.
DR. J. C. AYER. Sir: I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and made me an invalid of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. F. EAM.

Julius V. Giddels, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for years from it. Now, however, that I have used your Liver, My beloved pastor, the Rev. Mr. Eddy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel your right. The best that can be said of you is not half good enough."

Schistosis, Cancer Tumors, Enlargement, Ulceration, Caries, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alternative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients, in advanced stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its efficacy. As we live in their midst, and are now all the victims of the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects
