ANNOUNCEMENT.

THE **ÆTNA LIFE** Insurance Company hereby announces to the Public that the limit of \$10,000 to which it has heretofore restricted its risk upon any one life, is now extended to

\$15,000,

but only in the case of the very best lives, such as can successfully pass an extra careful medical examination and test.

Since this decision was made known through the Company's agents in Ontario, a few weeks since, several old policy-holders have availed themselves of the privilege of increasing their investments with the **ÆTNA** to the full amount allowed. Among the first of these were two first-class business men, who have been members of its Mutual Department for twelve years past, and have thus had the best possible means of knowing the excellence and reliability of the Indemnity against Loss which this Company affords.

One of the best methods of selecting a company in which to insure is to note how well satisfied those are who have had experience with it, as shown in the Annual Reports of the Insurance Superintendents. A certain small proportion of all insurance, in all companies, lapses during each year, from individual negligence, inability to pay, &c. In companies which are well conducted, and whose policy-holders value their privileges, very few will surrender their policies until death or maturity ends the contract.

In the following table, compiled from the Government Returns, the percentage of insurance which was surrendered to the companies, or which lapsed from non-payment of premiums, is shown. The figures opposite the Canadian and American companies relate to their entire business; opposite old country companies, to their Canadian business only:—

Lapses and Surrenders during 1880.

Name.	Per cent.	Name.	Per cent.
Ætna Life	4.74	Confederation	12.47
Canada	6.33	Briton, Edinburgh	15.00
Equitable	7.21	L. & Lancashire	15.61
Standard	7.78	Citizens, Montreal	17.75
Travellers	9.55	Sun, Montreal	20.12
Union Mutual	10.25	Toronto, Toronto	22.44
Ontario Mutual	12.07	Mutual, Hamilton	28.54
Star, of London	12.32	Average of all Companies, 18.54	

Excellent as this record is for 1880, it is to be hoped that all the companies will succeed in improving upon it in 1881. The table affords a means of discovering, at a glance, which companies are giving the highest satisfaction to those fortunate enough to be on their membership rolls.

Reader, if uninsured, but insurable, let no time be lost in getting a policy in some company. If you cannot get just what you need elsewhere, come and see the undersigned, or give your application to an Agent of the **ÆTNA** the first time you meet one.

WILLIAM H. ORR, Manager, Toronto.
