INTERNATIONAL HOTEL, HAMILTON, C. W. WILLIAM RICHARDSON, Proprietor.

WILLIAM RICHARDSON, Proprietor. THE subscriber having leased the premises known as the International Hotel, King street East, has had the whole building refitted and furnished at considerable expense, the result of which is that he is now enabled to offer to the travelling public accommodation and conveniences surpassed by no other hotel in the Province. His long experience in the business of hotel keeping will, he trusts, secure to him a share of that patronage which he has enjoyed for so many years. The locality of the International Hotel—situated in the centre of the business portion of the city—is of itself a flattering recommendation, and in conjunction with other more substantial advantages which the Proprietor has introduced, will earn for this Hotel, the subscriber hopes, the favor and good will of the business community.

JOHN PARK begs to call the attention of the trade to the Whiskies manufactured at the above establishment, which for strength, purity, and flavor are unequalled by anything made in this country. They are well known and in great demand throughout the whole of Canada, being shipped in targe quantites to Liverpool, and London, England, where they are much approved.

Grocers, Wine Merchants and Dealers generally, should lose no time in giving them a trial, There are many instances of storekeepers doubling their sale in a very short time by introducing these celebrated whiskies.

The trade can only be supplied through me at the spot, where all orders will be promptly attended to.
