**O**UR new plan to guarantee Barrett Specification Roofs for 20 years seems to have met with instant welcome from architects, owners and roofing contractors.

During the first few weeks the plan was in operation several million feet of Barrett Specification Guaranteed Roofs were specified.

*This means that the owners of these roofs are guaranteed against all roof repair and upkeep expense until 1936.*

This new Guaranty Bond is issued on all Barrett Specification Roofs of 50 squares or more in all towns in Canada and in the United States of 25,000 population and over—and in smaller centers where our Inspection Service is available.

Our only requirements are that the roofing contractors be approved by us and that The Barrett Specification dated May 1, 1916, shall be strictly followed.

The Guaranty is arranged for as follows:

The owner or his architect orders the roofing con-

tractor to "construct a Barrett Specification Roof and get for him a 20 Year Guaranty Bond for the work."

The contractor notifies us that he wishes the 20 Year Bond and will construct the roof under the supervision of our Inspector.

Our Inspector on completion of the job certifies that the proper quantity of Specification Pitch and Felt has been used and that The Barrett Specification of May 1, 1916, has been strictly followed.

On our O.K. of the job, the U.S. Fidelity & Guaranty Company issues a regular 20 Year Guaranty Bond, by which the owner is relieved of all costs for repairs or maintenance to the roof during the next 20 years.

*The Guaranty Bond costs the owner and roofing contractor nothing. The service is free in the interest of good workmanship and the good repute of our materials.*

If you are interested in the proposition we shall be glad to send you further details.
