NEW TREATMENT.

Sufferers are not generally aware that these diseases are contagious, & that they are due to the presence of living parasites in the lining membrane of the nose and Eustachian tubes. Microscopic research has proved this to be a fact, and the result is that a simple remedy has been formulated whereby these diseases are permanently cured in from one to three simple applications made at home. A descriptive pamphlet is sent free on receipt of stamp by A. H. DIXON & SON, 303 1/2 King Street West, Toronto Canada. 34/52

Re Industrial Exhibition.

The Pelee Island Vineyards, of Pelee Island, Lake Erie, the most southern point in Canada, made a very fine display of their grapes, grown in the open air, and wines made from the same, at the Industrial Exhibition. Their display of grapes comprised over sixty exhibits, and was the great leading feature of the Horticultural Hall. At the request of the Commissioner of the Colonial and Indian Exhibition in the fruit department, Messrs. J. S. Hamilton & Co., of Brantford, the sole agents for Canada for the Pelee Island Vineyards, have sent to London, England, a magnificent display from their exhibit here. It comprised thirteen varieties, and should of itself convince the most sceptical that Canada takes a front rank as a fruit-growing country. The Pelee Island Vineyard have this year placed their wines at the following reasonable prices:—In 5 gal. lots \$1.50; 10 gal. lots, \$1.40; 20 gal. lots, \$1.30; 40 gal. lots, \$1.25; cases 1 doz. quarts, \$4.50; cases 2 doz. pints, \$5.50 f.o.b., at Brantford. The judges, appreciating the excellence of Messrs. J. S. Hamilton & Co.'s exhibit of grapes and wines, awarded them one of the highest awards given this year, viz., a silver medal. A gentleman who has travelled extensively over the wine-growing countries of Europe expressed the opinion: "If the Pelee Island vineyards produce such wine as this, how can foreign wines be imported and successfully compete?" It may be mentioned that Pelee Island is the most southern point in Canada, and that the vineyards cover over two hundred acres. Their brands are for sale by the principal wine merchants throughout the Dominion.—Toronto Telegram. 12/26
