Visitor at the Hotel: I say, landlord, your food is worse than it was last year.  
Landlord: Impossible, sir!

A Maine cat is reported to have stolen beefsteak from the breakfast table to give to a baby of which it was fond. Afterwards it brought the child a robin and a mouse which it had caught.

MRS. ALVA YOUNG, Of Waterford, Ont., writes, "My baby was very sick with summer complaint, and nothing would help him till I tried Dr. Fowler's Extract of Wild Strawberry, which cured him at once. It is one of the best remedies I ever used."

New York uncle (to Boston boy): Jimmy, can you tell who George Washington was? Jimmy (aged seven): Tut, tut, my dear sir! Is it possible that New York and its environments have become so Hibernized that the illustrious general has been relegated to oblivion?

**SEVERE ABSCESS CURED.**

Dear Sirs,—I had an abscess just behind my right ear, in August, 1891. After suffering for three months, I began to take B. B. B., and after one month's use of it I was very much better, and the abscess entirely disappeared in four months. I am certain that Burdock Blood Bitters is an excellent remedy.

Florence M. Shaw, Solsgirth, Man.

Young wife—affectionately—"We can live more economically, I know. To begin with, you can stop smoking, resign from your club, give no more wine suppers, and never, never, treat any one." Young husband—faintly—"Certainly to be sure. In fact, of course. And what will you do, dear?" Young wife—triumphantly—"I? Oh! I'll mend all my gloves myself."

Prepare for Summer Diseases.—If you have Cramps, if you have Colic, if you have Diarrhoea, or if you have any summer complaint—and you are more than likely to suffer in that way before the soft-crab season is over—buy a bottle of Perry Davis' Pain Killer, and secure instantaneous relief after one or two doses. In treating severe attacks of Cholera, bathe the bowels with the Pain Killer. Twenty drops of Mr. Davis' wonderful medicine will cure a child of the worst case of Colic. A bottle of the Pain Killer can be bought at any reputable drug-store. Price 25c., Big New Bottle.

Inebriate: S'cuse me, shir. Can you please—d'rock me to—to t'other shilde?  
Old Gent: Other side, sir—yes, sir—over there, of course, sir. Inebriate: Why, I've just come from there, and that shilly idiot of a copper said that thish was the other shilde (hic).

"Golden Medical Discovery" cures those diseases which come from blood impurities—scrofula and skin diseases, sores and swellings.

But does it? It's put up by the thousands of gallons, and sold to hundreds of thousands. Can it cure as well as though it had been compounded just for you?

Its makers say that thousands of people who have had Tetter and Salt-rheum, Eczema and Erysipelas, Carbuncles and Sore Eyes, Thick Neck and Enlarged Glands, are well to day, because they used it.

Suppose that this is so. Suppose that a quick-witted man was far-seeing enough to know that to cleanse the blood was to cleanse the life. Suppose that by many experiments, and after many failures, he discovered this golden key to health, and that his faith in it for you is so strong that you can go to your druggist, buy a bottle, and if it doesn't help you, you can get your money returned cheerfully. Will you try it?

The remedy to have faith in, is the remedy the makers themselves have faith in.
