STEPHEN : A Soldier of the Cross

By Florence M. Kingsley.

Author of "Titus: A Comrade of the Cross."

12mo, 370 pages { Paper Covers, 50 Cents.
Cloth Boards, 75 Cents.

The announcement of our Canadian copyright edition of Mrs. Kingsley's new story has created even wider interest than we expected—and the enormous sale of "Titus" warranted "great expectations." Advance orders indicate a wide demand for the book. One dealer has placed with us an order for 250 copies. Enquiries are coming from different quarters.

In "Stephen," which is a continuation of "Titus," we have presented, in the form of a historical novel, the life of the early church to the beginning of the ministry of Paul. Amos, Caiaphas, Saul of Tarsus, Stephen, Peter, and others are made to enact again those deeds that have been the wonder and inspiration of christendom. The story is highly dramatic in style, and powerfully written, the chapters following each other like scenes in a tragedy.
