

INTERNATIONAL COMMISSION FOR SUPERVISION AND CONTROL IN CAMBODIA

"7. Although it may still be argued that some of the clauses of the new military aid agreement in terms go beyond the limitations imposed by the Geneva Agreement, the Commission accepts the assurances given by the Cambodian Government and is confident that in practice the receiving of aid under the new military aid agreement will be in conformity with the terms of the Geneva Accord."

The Resolution was communicated to the Royal Government of Cambodia on the same day.

Letters exchanged between the International Commission for Supervision and Control and the Royal Government of Cambodia on the subject of the U.S.-Cambodian Military aid agreement are to be treated as annexures to the Resolution and are attached to this Report as Annexures I to IV.

The terms of the U.S.-Cambodian military aid agreement, as laid down in the exchange of letters between the representatives of the two Governments, are contained in Appendix 'A'.

The Communique issued by the Royal Government of Cambodia on the military aid agreement is reproduced as Appendix 'B'.

The letter of protest from His Excellency General Giap stating the point of view of the Democratic Republic of Vietnam is attached as Appendix 'C'.

A French translation of this Interim Report is also attached.
