## **STAR ASBESTOS PADS FOR DINING TABLES**

Protect your table tops from damage by heat and moisture. This Pad fills a long felt want. Insures protection to your table top against damage.

Pads are made of a specially prepared ASBESTOS, and are covered with a double faced cotton flannel.

Made to fold so as to occupy small space. Also Mats for dishes and platters where cloth is not used.

We will be glad to show these goods and to quote prices on demand.
