WELLAND CANAL.

Notice to Bridge-Builders.

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Bridges, Welland Canal," will be received at this office until the arrival of the Western mails on TUESDAY, THE 16th DAY OF JUNE next, for the construction of swing and stationary bridges at various places on the line of the Welland Canal. Those for highways are to be a combination of iron and wood, and those for railway purposes are to be of iron.

Plans, specifications and general conditions can be seen at this office on and after MONDAY, THE 31st DAY OF MAY next, where Forms of Tender can also be obtained.

Parties tendering are expected to have a practical knowledge of works of this class, and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and—in the case of firms—except there are attached the actual signatures, the nature of the occupation, and residence of each member of the same; and further an accepted bank cheque for a sum equal to \$250 for each bridge, for which an offer is made, must accompany each tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted. For the due fulfilment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of five per cent. of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within eight days after the date of the notice.

Ninety per cent. only of the progress estimates will be paid until the completion of the work. This Department does not, however, bind itself to accept the lowest or any tender.

By Order,

F. BRAUN,
Secretary.

S. CARSLY'S

WHOLESALE.

Our Wholesale business bids fair to be as great a success as our Retail.

The Same Plan.

We are adopting the same plan of working as has been adopted in the Retail, namely, of never being undersold, but on the other hand, to have our prices the lowest in the market, and to deal in nothing but suitable goods.

The Talk.

The talk or remarks of the Trade are that Carsley's Goods sell quickly.

WORTH NOTING.

It is worth noting that our Wholesale Prices are so much lower than our Retail Price as to admit of Merchants selling at our retail prices and being able to get a larger profit than can be made in any other way.

WELLAND CANAL.

Notice to Machinist-Contractors.

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Lock Gates, Welland Canal," will be received at this office until the arrival of the Eastern and Western Mails on THURSDAY, the 3rd day of JUNE, next, for the construction of gates, and the necessary machinery connected with them, for the new locks on the Welland Canal.

Plans, Specifications and General Conditions can be seen at this office on and after THURSDAY, the 20th day of MAY, next, where forms of tender can also be obtained.

Parties tendering are expected to provide the special tools necessary for, and to have a practical knowledge of, works of this class, and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and in the case of firms—except there are attached the actual signatures, the nature of the occupation and residence of each member of the same; and, further, an accepted bank cheque for a sum equal to \$250, for the gates of each lock, must accompany each tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

For the due fulfilment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of five per cent. of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within eight days after the date of the notice.

Ninety per cent. only of the progress estimates will be paid until the completion of the work.

This Department does not, however, bind itself to accept the lowest or any tender.

By Order,

F. BRAUN,
Secretary.
