

*Spaniards*, by our timely supporting the King of *Sardinia*, and making a Defensive and an Offensive Alliance with him. The Consequence of which must be, in my Opinion, that the *Spaniards*, to save their Troops, now coop'd up in *Italy*, from perishing like the *French* in *Germany*, must submit to a Peace, upon advantageous Terms to *England*, and drop their Pretensions on the Queen of *Hungary's* *Italian* Dominions, lest a worse thing befall them.
