### Dr. Chase's Nerve Food

When the blood is rich and red, when it is largely composed of red corpuscies, there is little mance for disease germs. They cannot thrive in the system which is filled with good blood. But in the spring the blood is generally thin, weak and watery. It lacks the vitalizing red corpuscies and you become an easy prey to the germs of disease which seem to lurk everywhere at this time of year.

You can fortify yourself against the germs of disease by using Dr. Chase's Nerve—Food. This great restorative treatment forms new, red corpuscies in the blood, makes the blood with the control of the proposed of
